NORTHERN DISTRICT OF CALIFORNIA

JOSE MEZA,
Plaintiff,
v.
S.S. SKIKOS, INC., et al.,
Defendants.

Case No. 15-cv-01889-TEH

**ORDER GRANTING
PRELIMINARY APPROVAL OF
SETTLEMENT**

This matter came before the Court on February 22, 2016 for a hearing on Plaintiff’s unopposed motion for preliminary approval of settlement. (Docket No. 45.) Having considered the Stipulation of Settlement and Release (“Settlement Stipulation”), Notice Packet, documents filed in support of the instant motion, and statements of counsel, the Court **HEREBY ORDERS THE FOLLOWING:**¹

1. The Court **GRANTS** preliminary approval of the terms and conditions contained in the Settlement Stipulation, attached hereto as Exhibit A. The Court preliminarily finds that the terms of the Settlement Stipulation appear to be within the range of possible approval, as they are fair, adequate and reasonable, and therefore comply with Federal Rule of Civil Procedure 23(e).

2. The Court preliminarily appoints Plaintiff, Jose Meza, as the class representative.

3. The Court preliminarily appoints Schneider Wallace Cottrell Konecky Wotkyns LLP and Villegas Carrera, LLP, as Class Counsel.

4. The Court **GRANTS** conditional certification of the California Class for settlement purposes. The “California Class” is defined to mean “all current and former Drivers employed by Defendants in California during the California Class Period.” The

¹ Unless otherwise noted, capitalized terms in this Order shall have the same meaning as in the Settlement Stipulation.

1 “California Class Period” is the period beginning April 27, 2011 through the date of this
2 Order.

3 5. The Court GRANTS conditional certification of the California FLSA Class
4 for settlement purposes. The “California FLSA Class” is defined as “all current and
5 former Drivers who were employed by Defendants in California during the California
6 FLSA Class Period.” The “California FLSA Class Period” is the period beginning April
7 27, 2012 through the date of this Order.

8 6. The Court finds that, for settlement purposes, the above-defined Classes
9 meet all of the requirements for class certification. The Court further finds that the
10 requirements of Federal Rules of Civil Procedure 23(a) and 23(b)(3) are satisfied and that:
11 (a) the above-defined Classes are ascertainable; (b) the Class Members are so numerous
12 that joinder is impracticable; (c) there are questions of law and fact common to the Class
13 Members which predominate over any individual questions; (d) Plaintiff’s claims are
14 typical of the claims of the Class Members; (e) Plaintiff and Class Counsel have fairly,
15 adequately, reasonably and competently represented and protected the interests of the
16 Classes throughout the litigation; and (f) a class action is superior to other available
17 methods for the fair and efficient adjudication of the controversy.

18 7. The Court preliminarily finds that the Settlement is the product of serious,
19 informed, non-collusive negotiations conducted at arms-length by the parties and with the
20 assistance of mediator David Rotman. In making these preliminary findings, the Court
21 considered, among other factors, the potential statutory damages claimed in the lawsuit on
22 behalf of Plaintiff and the Class Members, Defendant’s potential liability, the risks of
23 continued litigation including trial outcome, delay and potential appeals, and the
24 substantial benefits available to Class Members as a result of the Settlement. The Court
25 further preliminarily finds that the terms of the Settlement have no obvious deficiencies
26 and do not improperly grant preferential treatment to any individual Class Member.

27 8. The Court preliminarily appoints Simpluris, Inc. as the Settlement
28 Administrator.

1 9. The Court APPROVES the Notice Packet attached to the Settlement
2 Stipulation as Exhibits 1-3. *See* Ex. 1 to Prelim. Approval Mot. (Docket No. 45). The
3 Court finds that the Notice Packet, along with the related notification procedure
4 contemplated by the Settlement, constitutes the best notice practicable under the
5 circumstances and is in full compliance with the applicable laws and the requirements of
6 due process. The Court further finds that the Notice Packet appears to fully and accurately
7 inform the Class Members of all material elements of the proposed Settlement, of their
8 right to be excluded from the Settlement, and of their right and opportunity to object to the
9 Settlement. Subject to the terms of the Settlement Stipulation, including the terms
10 pertaining to address verification, the Notice Packet shall be mailed via first-class mail to
11 the most recent known address of each Class Member within the timeframe specified in the
12 Settlement Stipulation and Paragraph 16B of this Order. Each Class Member shall receive
13 the Notice Packet in both English and Spanish. The Parties are authorized to make non-
14 substantive changes to the proposed Notice Packet that are consistent with the terms of the
15 Settlement Stipulation and this Order.

16 10. The Court APPROVES the proposed procedure for Class Members to
17 request exclusion from the Settlement, which is to submit an Exclusion Letter to the
18 Settlement Administrator no later than 45 days after the Notice Packet is mailed, or, for
19 Class Members whose Notice Packets are remailed, the later of 45 days after the original
20 mailing or 7 days after the re-mailing to that Class Member. Any putative Class Member
21 who submits an Exclusion Letter shall not be a Member of the Class, shall be barred from
22 participating in the Settlement, and shall receive no benefit from the Settlement.

23 11. The Court APPROVES the proposed procedure for Class Members to opt in
24 to the California FLSA Class, and finds that the procedure complies with 29 U.S.C. §
25 216(b).

26 12. The Court APPROVES the proposed procedure for Class Members to object
27 to the Settlement, which is to submit an objection to the Court by mail to the Class Action
28 Clerk or by filing with the Court postmarked no later than 45 days after the Notice Packet

United States District Court
Northern District of California

1 is mailed, or, for Class Members whose Notice Packets are remailed, the later of 45 days
2 after the original mailing or 7 days after the remailing to that Class Member.

4 the Fee and Expense Award and the Service Payment, with the appropriate declarations
5 and supporting evidence, at least 14 days prior to the close of the Class Notice period to be
6 heard at the same time as the motion for Final Approval of the Settlement.

7 14. The Court ORDERS that Class Counsel shall file a motion for Final
8 Approval of the Settlement, with the appropriate declarations and supporting evidence,
9 including a declaration setting forth the identity of any Class Members who request
10 exclusion from the Settlement, by **Monday, May 2, 2016**.

14 **2016** at 10:00 a.m. in Courtroom 2, 17th Floor of the Phillip Burton Federal Courthouse in
15 San Francisco. Any Class Member seeking to object to the proposed Settlement may file
16 such objection in writing through the process described in the Notice Packet or may appear
17 at the Final Approval Hearing to make the objection.

18 16. The Court APPROVES and adopts the following dates and deadlines:

19 A. Defendant shall provide to the Settlement Administrator a database
20 containing Class Members’ contact information no later than 5 business days after
21 the date of this Order.²

22 B. The Settlement Administrator shall mail Notice Packets no later than
23 10 days after receiving the Class Members’ contact information from Defendant.

24 C. Class Counsel shall file its motion for attorney’s fees and costs 31

26

28 ² The parties agreed at the February 22, 2016 hearing to change this deadline from 5
calendar days to 5 business days. Thus, this term differs slightly from the Settlement
Stipulation. Unless otherwise indicated, all other references to “days” are “calendar days.”
