«Address1» «Address2»
«City» «Abbrev» «Zip»

Name/Address Changes:

This Statement of Settlement Share is intended to notify you about the amount you may be entitled to under the proposed class settlement for teaching time from the Russian School of Mathematics during the class period, unless you choose to exclude yourself from the settlement.

The personnel and payroll records of the Russian School of Mathematics show that during the class period (March 2, 2014 to August 8, 2018), you worked as a non-exempt teacher employee of the Russian School of Mathematics. Those records reflect that you earned a total of \$«MERGED_GrossWages» in gross pay for time you spent teaching during that period.

Based on this information, your estimated settlement share is \$«MERGED_EstSettAmnt_CALC». Your estimated settlement share is calculated under the assumption that (i) the Court finally approves the Settlement; and (ii) the Court approves the amounts sought for the PAGA Award, the Fee and Expense Award, the Administration Costs, the Service Fee; and (iii) all members of the Settlement Class submit timely and valid claims. Your actual settlement share may end up being higher or lower than estimated.

The portion of the Settlement Share from which payroll taxes will be deducted shall be \$«MERGED_W2_CALC». The remaining portion of the Settlement Share is considered, interest and penalties, and will be reflected on an IRS Form 1099. You alone are responsible for paying any appropriate taxes on the latter amount.
