INTRODUCTION

On March 26, 2024, this Court preliminarily approved the class action settlement between Plaintiff Michael Hilliard (“Plaintiff”) and Defendant ABP Corporation, (“Defendant” or “ABP”) (together with Plaintiff, the “Parties”) and directed that notice be sent to the Settlement Class. *See* ECF No. 59. The settlement administrator has implemented the Court-approved notice plan and direct notice has reached over 97% of the certified Settlement Class. The reaction from the class has been overwhelmingly positive. Specifically, of the 628 settlement class members, zero objected or requested to be excluded.¹ The Settlement is an excellent result for the class and the Court should grant final approval.

The strength of the Settlement speaks for itself. After extensive negotiations, including a full-day mediation with The Honorable James F. Holderman (Ret.), formerly the Chief Judge of the Northern District of Illinois and now with JAMS Chicago, the Parties reached a proposed settlement (the “Settlement” or “Agreement”) that creates a non-reversionary Settlement Fund of \$785,000 and provides a substantial benefit to the 628 Settlement Class Members. Specifically, every Settlement Class Member who does not exclude him or herself from the Settlement will automatically receive a *pro rata* Cash Award via a direct payment by check, which Proposed Class Counsel estimates will be approximately \$783.38. Additionally, the Settlement also provides meaningful prospective relief, as Defendant represents that it is no longer using “biometric time clocks” in Illinois and agrees that to the extent it reinstates the use of “biometric time clocks” it will provide all notices and obtain all consents as required by BIPA. If approved, the Settlement will bring certainty, closure, and significant and valuable relief for individuals to what otherwise would likely be contentious and costly litigation regarding Defendant’s alleged

¹ The deadline for Settlement Class Members to object or request exclusion was June 7, 2024. *See* ECF No. 59 ¶¶ 15, 20.

unlawful collection or capture of individuals' biometric identifiers and/or biometric information violated the Illinois Biometric Information Privacy Act ("BIPA") Sections 740 ILCS 14/15(a) and 14/15(b) by requiring him and its other Illinois workers to "clock in" and "clock out" using their fingerprints and/or hand scans.

The Court need not evaluate the Settlement in a vacuum, as it follows—and eclipses—numerous other BIPA settlements that came before it. *See, e.g., Carroll v. Crème de la Crème, Inc.*, 2017-CH-01624 (Cir. Ct. Cook Cnty.) (providing only credit monitoring); *Meegan v. NFI Industries Inc.*, 1:21-cv-00465 (N.D. Ill. Feb. 17, 2023) (paying claimants approximately \$570 each); *Burlinski v. Top Golf USA Inc.*, 1:19-cv-06700 (N.D. Ill. Oct. 13, 2021) (paying claimants approximately \$650 each).

Given the relief proposed by the Settlement, the Court should not hesitate to find that the Settlement is well within the range of approval. Accordingly, Plaintiff respectfully requests that the Court grant final approval to the Settlement.

FACTUAL AND PROCEDURAL BACKGROUND

On December 3, 2020, Plaintiff filed a two-count putative class action complaint against Panera, LLC in the Circuit Court of Cook County, Illinois, Sixteenth Judicial Circuit, entitled *Hilliard v. Panera, LLC*, Case No. 2020-CH-07056 (the "Action"). *See* Fraietta Decl. ¶ 4. The material allegations of the Complaint were that Panera, LLC collected or captured fingerprints or hand scans of its current and former Illinois employees and temporary workers without first providing notice, obtaining informed written consent or making a biometric data retention and destruction policy publicly available. *See id.* The Complaint alleges these individuals were required to "clock in" with their alleged fingerprints and/or hand scans, in violation of the Illinois Biometric Privacy Act ("BIPA" or "Privacy Act"), 740 ILCS 14/1 et seq. *See id.* On January

14, 2021, Panera, LLC removed the Action to the United States District Court for the Northern District of Illinois (the “District Court”), where it was assigned Case No. 1:21-cv-00233. *See* Fraietta Decl. ¶ 5 (citing ECF No. 1).

On March 8, 2021, Panera, LLC filed a Motion to Dismiss Plaintiff’s Class Action Complaint citing the pending decisions by: (i) the Seventh Circuit Court of Appeals in *Cothron v. White Castle System, Inc.*, No 20-3202; (ii) the Illinois Appellate Court for the First Judicial District in *Tims v. Black Horse Carriers, Inc.*, Case No. 1-20-0562; (iii) the Illinois Appellate Court for the Third Judicial District in *Marion v. Ring Container Techs., LLC*, No. 3-20-0184; and (iv) the Illinois Supreme Court in *In re: McDonald v. Symphony Bronzeville Park, LLC*, No. 126511 (Ill.). *See* Fraietta Decl. ¶ 6 (citing ECF Nos. 10-11).

On March 29, 2021, Plaintiff filed a First Amended Complaint seeking to terminate Panera, LLC as a party and substitute in ABP as the defendant. *See* Fraietta Decl. ¶ 7 (citing ECF No. 14). The next day, March 30, 2021, the Court dismissed Panera, LLC from the case without prejudice and denied Panera, LLC’s Motion to Dismiss as moot. *See id.* (citing ECF No. 15). On June 11, 2021, ABP filed a Motion to Dismiss. *See id.* (citing ECF Nos. 21-22). Plaintiff opposed ABP’s motion on July 12, 2021. *See id.* (citing ECF No. 26).

On August 2, 2021, ABP filed an Unopposed Motion to Stay All Proceedings pending the decisions in the same four appeals cases cited by Panera, LLC. *See* Fraietta Decl. ¶ 8 (citing ECF No. 27). The Court granted the Motion to Stay in part and ordered the Parties to file a joint status report within fourteen (14) days of a ruling in any of the cases identified in the Motion to Stay. *See id.* (citing ECF No. 28). On September 8, 2021, the Court denied ABP’s Motion to dismiss without prejudice. *See id.* (citing ECF No. 29).

On September 17, 2021, the First District Illinois Appellate Court issued a decision in

Tims v. Black Horse Carriers, Inc., Case No. 1-20-0562, finding that claims brought pursuant to BIPA Sections 15(c) and (d) are governed by a one-year statute of limitations. Conversely, the First District also held that claims brought pursuant to BIPA Sections 15(a), 15(b), and 15(e) are not governed by Section 13-201's one-year limitations period. *See* 2021 Ill App (1st) 200563. On October 1, 2021, the Parties filed a Joint Status Report updating the Court of the same and clarifying the *Tims* decision's inability to govern the Plaintiff's claims under BIPA Sections 15(a) and (b). *See* Fraietta Decl. ¶ 9 (citing ECF No. 30).

On December 20, 2021, the Seventh Circuit issued its decision in *Cothron v. White Castle*, but certified to the Illinois Supreme Court the question of whether BIPA Section 15(b) and 15(d) claims accrue each time a private entity transmits the scan to a third party or only upon the first scan and transmission. *See* 20 F.4th 1156 (7th Cir. 2021). On December 23, 2021, the Illinois Supreme Court accepted the certified question. *See id.* On February 3, 2022, the Illinois Supreme Court found in *McDonald v. Bronzeville Park, LLC*, that the Workers' Compensation Act does not bar BIPA claims. *See* 2022 IL 126511. On February 9, 2022, the Parties filed a Joint Status Report informing the Court of the same. *See* Fraietta Decl. ¶ 10 (citing ECF No. 31).

On January 27, 2023, the Parties filed a Joint Status Report pursuant to the Court's January 4, 2023 Order. *See* Fraietta Decl. ¶ 11 (citing ECF Nos. 33-34). The Joint Status Report updated the Court that the question of when Plaintiff's BIPA claims accrued remained an open question of law that the Illinois Supreme Court would resolve in *Tims v. Black Horse Carriers, Inc.*, Case No. 127801 (Ill.). *See* Fraietta Decl. ¶ 11 (citing ECF No. 34 at 3).

On February 2, 2023, the Illinois Supreme Court filed an opinion holding that a five-year statute of limitations applied to Plaintiff's BIPA claims. *See Tims*, Case No. 127801 (Ill.). And

on February 17, 2023, the Illinois Supreme Court filed an opinion holding that a separate claim accrues under BIPA each time a private entity scans or transmits an individual's biometric identifier or information in violation of BIPA Section 15(b) or 15(d). *See Cothron v. White Castle*, 20 F.4th 1156 (7th Cir. 2021).

Pursuant to the Court's January 30, 2023 Order, the Parties filed a Joint Status Report on April 28, 2023 updating the Court of the Illinois Supreme Court's decisions. *See* Fraietta Decl. ¶ 13 (citing ECF Nos. 35, 38). The Court lifted the stay on the case on May 1, 2023. *See* Fraietta Decl. ¶ 13 (citing ECF No. 39). On May 15, 2023, the Parties proposed a case management schedule, and the Court adopted the Parties' schedule on May 18. *See* Fraietta Decl. ¶ 13 (citing ECF Nos. 42-43). The case then proceeded into fact discovery. *See id.*

In accordance with Fed. R. Civ. P. 26(f), the Parties engaged in settlement discussions throughout the pendency of the case. Those discussions ultimately led to an agreement to mediate the case with the Honorable James F. Holderman (Ret.), formerly the Chief Judge of the Northern District of Illinois, and now with JAMS. *See id.* ¶ 14. On October 11, 2023, the Parties filed a Joint Motion to Stay Proceedings pending mediation. *See id.* (citing ECF No. 47). On October 12, 2023, the District Court entered an order granting the Parties' Joint Motion to Stay and set a status report to be due within five business days of the mediation. *See* Fraietta Decl. ¶ 14 (citing ECF No. 48).

On January 25, 2024, the Parties participated in a full-day mediation with the Honorable James F. Holderman (Ret.) of JAMS Chicago. *See id.* ¶ 16. The mediation was successful, and the Parties reached agreement on all material terms of a class action settlement and executed a term sheet. *See id.* Thereafter, the Parties drafted and executed the Settlement Agreement and related documents, which are submitted herewith. *See id.*; *see also id.* at Ex. A ("Agreement").

The Court preliminarily approved the Settlement on March 26, 2024. *See* Fraietta Decl. ¶ 16 (citing ECF No. 59).

TERMS OF THE SETTLEMENT

The key terms of the Settlement, attached to the Fraietta Declaration as Exhibit 1, are briefly summarized as follows:

A. Class Definition

The “Settlement Class” is defined as:

[A]ll individuals who worked for ABP in the State of Illinois, including former temporary workers or contractors engaged by ABP, who had their Biometric Identifiers and/or Biometric Information allegedly collected, captured, received or otherwise obtained or disclosed by ABP or its agents, without first signing a written consent form, for the period extending from March 7, 2017, to March 23, 2021. Excluded from the Settlement Class are (1) any Judge or Magistrate presiding over this Action and members of their families; (2) Persons who properly execute and file a timely request for exclusion from the class; and (3) the legal representatives, successors, or assigns of any excluded Persons.

Agreement ¶ 1.31. According to Defendant’s records, there are 628 persons in the Settlement Class. *See* Declaration of Amy Lechner (“Lechner Decl.”) ¶¶ 7-9.

B. Monetary And Prospective Relief

Defendant will establish a non-reversionary Settlement Fund of \$785,000 from which each Settlement Class Member who does not exclude him or herself will receive a payment estimated at approximately \$783.38. Agreement ¶¶ 1.33, 2.1(b); Lechner Decl. ¶ 18; Fraietta Decl. ¶¶ 17-18. The Settlement Fund will also be used to pay notice and administrative expenses, attorneys’ fees, costs, and expenses, and an incentive award to the Class Representatives. Agreement ¶¶ 1.33, 2.1(b).

Additionally, Defendant represents that it is no longer using “biometric time clocks” in Illinois and agrees that to the extent it reinstates the use of “biometric time clocks” it will provide

all notices and obtain all consents as required by BIPA. *Id.* ¶ 2.2(a).

C. Release

In exchange for the relief described above, Defendant and each of its related and affiliated entities as well as all “Released Parties,” as defined in ¶ 1.27 of the Settlement, will receive a full release of all claims arising out of or related to biometrics, finger scan data, or BIPA. *See also id.* ¶¶ 1.26-1.28, 3.1-3.2, 4.7.

D. Notice And Administrative Expenses

The Settlement Fund will be used to pay the cost of sending the Notice set forth in the Agreement and any other notice as required by the Court, as well as all costs of administration of the Settlement. *See Agreement* ¶¶ 1.19-1.20, 1.29-1.30, 4.1-4.2.

E. Service Award

In recognition of his efforts on behalf of the Settlement Class, the Parties have agreed that Plaintiff may receive, subject to Court approval, a service award of up to \$5,000 from the Settlement Fund, as appropriate compensation for his time and effort serving as Class Representative and as a party to the Action. *Id.* ¶ 8.3.

F. Attorneys’ Fees, Costs, And Expenses

Defendant has agreed that the Settlement Fund may also be used to pay Class Counsel reasonable attorneys’ fees and to reimburse costs and expenses in this Action, in an amount to be approved by the Court. *Id.* ¶ 8.1. Class Counsel has agreed—with no consideration from Defendant—to limit its petition to the Court for attorneys’ fees, unreimbursed costs, and expenses to thirty-five percent (35%) of the Settlement Fund, or two hundred and seventy-four thousand, seven hundred fifty dollars (\$274,750.00). *Id.* ABP may challenge the amounts requested. Should the Court award less than the amount sought by Class Counsel, the difference

in the amount sought and the amount ultimately awarded shall remain in the Settlement Fund.

Id.

ARGUMENT

I. THE SETTLEMENT SHOULD BE FINALLY APPROVED

At the final approval stage, the fairness analysis is guided by Rule 23(e), which states that a district court should approve a class settlement only after a hearing and only on finding that it is fair, reasonable, and adequate considering whether:

- (A) The class representatives and class counsel have adequately represented the class;
- (B) The proposal was negotiated at arm's length;
- (C) The relief provided for the class is adequate, taking into account:
 - i. the costs, risks, and delay of trial and appeal;
 - ii. the effectiveness of any proposed method of distributing relief to the class, including the method of processing class-member claims;
 - iii. the terms of any proposed attorneys' fees, including timing of payment; and
 - iv. any agreement required to be identified under Rule 23(e)(3); and
- (D) The proposal treats class members equally relative to each other.

Fed. R. Civ. P. 23(e)(2). Notably, the Seventh Circuit has identified the following factors in determining whether a settlement is fair, reasonable, and adequate under Rule 23(e): (1) the strength of the plaintiff's case compared to the terms of the settlement; (2) the complexity, length, and expense of continued litigation; (3) the amount of opposition to the settlement; (4) the presence of collusion in gaining a settlement; (5) the stage of the proceedings and the amount of discovery completed." *Hale v. State Farm Mut. Auto. Ins. Co.*, 2018 WL 6606079, at *2 (S.D. Ill. Dec. 16, 2018) (citing *Synfuel Techs., Inc. v. DHL Express (USA), Inc.*, 463 F.3d 646, 653 (7th Cir. 2006)); *see also* Fed. R. Civ. P. 23, Advisory Committee's Note to 2018 Amendment

(“The goal of this amendment is not to displace any factor, but rather to focus the court and the lawyers on the core concerns of procedure and substance that should guide the decision whether to approve the proposal.”). Moreover, “[f]ederal courts naturally favor the settlement of class action litigation.” *In re AT & T Mobility Wireless Data Servs. Sales Litig.*, 270 F.R.D. 330, 345 (N.D. Ill. 2010) (quoting *Isby v. Bayh*, 75 F.3d 1191, 1196 (7th Cir. 1996)) (internal quotation marks omitted).

At the preliminary approval stage, this Court held that, “the Settlement Agreement is fair, reasonable, and adequate.” ECF No. 59 ¶ 4. This Court should grant final approval and find the Settlement is fair, reasonable, and adequate pursuant to Fed. R. Civ. P. 23(e).

A. Plaintiff And Proposed Class Counsel Have Adequately Represented The Class

The first Rule 23(e)(2) factor considers whether the class representative and class counsel have adequately represented the class. *See* Fed. R. Civ. P. 23(e)(2)(A). In considering this factor, courts are to examine whether plaintiff and class counsel had adequate information to negotiate a class-wide settlement, taking into account (i) the nature and amount of discovery completed, whether formally or informally, and (ii) the “actual outcomes” of other, similar cases. Fed. R. Civ. P. 23(e) Advisory Committee’s Note to 2018 Amendment. Ultimately, this factor is generally satisfied where the named plaintiff participated in the case diligently, and where class counsel fought hard on behalf of plaintiff and the class throughout the litigation. *See Snyder v. Ocwen Loan Servicing, LLC et al.*, 2019 WL 2103379, at *4, (N.D. Ill. Apr. 14, 2019).

Here, Plaintiff was extensively involved in the case, including helping his attorneys investigate his claims, preparing and reviewing the Class Action Complaint, and conferring with his counsel throughout the litigation, including the settlement process. *See* ECF No. 60-1 ¶¶ 43-45. Without Plaintiff’s involvement, the relief secured for the Settlement Class would not have

been possible.

Likewise, Class Counsel’s performance in this case demonstrates that their representation has been beyond adequate. First, Class Counsel thoroughly investigated the claims and drafted the Class Action Complaint. Class Counsel also spent months collecting the necessary information and engaging in arm’s length negotiations with Defendant, leading to the Settlement. And since the Court granted preliminary approval, Class Counsel has worked with the Settlement Administrator and defense counsel to effectuate the class notice and move for Court approval.

Second, the monetary relief achieved by Class Counsel in this Settlement excels in comparison to other BIPA settlements. As detailed above, many BIPA settlements have failed to provide any monetary recovery to class members, have capped the amount class members can recover, or simply have provided far less of a recovery than this one. *See, e.g., Carroll v. Crème de la Crème, Inc.*, 2017-CH-01624 (Cir. Ct. Cook Cnty.) (providing only credit monitoring); *Meegan v. NFI Industries Inc.*, 1:21-cv-00465 (N.D. Ill. Feb. 17, 2023) (paying claimants approximately \$570 each); *Burlinski v. Top Golf USA Inc.*, 1:19-cv-06700 (N.D. Ill. Oct. 13, 2021) (paying claimants approximately \$630). Here each Settlement Class Member who does not exclude him or herself will **automatically** receive approximately \$783.38, which is an exceptional result. *See* Fraietta Decl. ¶ 18.

Moreover, aside from the monetary relief, the non-monetary benefits also demonstrate Plaintiff’s and Class Counsel’s superb representation of the class. Specifically, Defendant represents that it is no longer using “biometric time clocks” in Illinois and agrees that to the extent it reinstates the use of “biometric time clocks” it will provide all notices and obtain all consents as required by BIPA. *See* Agreement ¶ 2.2(a).

The result is more impressive when considering the risks presented. Although at the time

of settlement the Illinois Supreme Court had issued its decision in *Cothron v. White Castle System, Inc.*, -- N.E.3d --, 2023 IL 128004 (Feb. 17, 2023), wherein it held that “the plain language of section 15(b) and 15(d) shows that a claim accrues under the Act with every scan or transmission of biometric identifiers or biometric information without prior informed consent,” the Court also noted that “[i]t also appears that the General Assembly chose to make damages discretionary rather than mandatory under the Act.” *Cothron*, 2023 IL 128004, ¶¶ 42, 45. That presented a risk that even had Plaintiff and the Settlement Class prevailed at trial, they would not be awarded statutory damages. And indeed, a federal court recently vacated a jury’s statutory damages award in a BIPA class action and ordered a new trial on damages pursuant to *Cothron*’s guidance. *See Rogers v. BNSF Railway Co.*, 2023 WL 4297654, at *8, 13 (N.D. Ill. June 30, 2023).

Looking beyond trial, Plaintiff is also keenly aware that Defendant could appeal the merits of any adverse decision, and that, in light of the statutory damages in play, it would argue—in both the trial and appellate courts—for a reduction of damages based on due process concerns. Three dissenting Justices on the Illinois Supreme Court were also concerned about defendants facing “crippling financial liability.” *Cothron*, 2023 IL 128004, ¶ 61. The dissent reasoned that, “[i]f every scan is a separate, actionable violation, qualifying for an award of liquidated damages,” then damages “could easily lead to annihilative liability for businesses” with damages in the “billions.” *Id.* ¶¶ 60-61; *see also Wakefield v. ViSalus, Inc.*, 51 F.4th 1109, 1125 (9th Cir. 2022), *cert. denied*, 143 S. Ct. 1756 (2023) (remanding “so the [district] court may assess in the first instance, guided by these factors and this opinion, whether the aggregate award of \$925,220,000 in this class action case is so severe and oppressive that it violates ViSalus’s due process rights and, if so, by how much the cumulative award should be reduced”). Taking these

realities into account and recognizing the risks involved in any litigation, the relief available to each Settlement Class Member in the Settlement represents a truly excellent result for the Settlement Class.

B. The Settlement Was Reached As A Result Of Arm's-Length Negotiations Between The Parties

The second Rule 23(e)(2) factor looks to whether the parties negotiated the settlement at arm's-length. *See Fed. R. Civ. P. 23(e)(2)(B).* Here, the Parties engaged in informal discovery, motion practice, and negotiations over the course of several months. *See Fraietta Decl.* ¶¶ 14-15. On January 25, 2024, facilitated by the Honorable James F. Holderman (Ret.) of JAMS Chicago, the Parties participated in a full-day mediation and reached agreement on all material terms of a class action settlement. *See Fraietta Decl.* ¶ 16. The Parties then executed a term sheet, then a Settlement Agreement and its related documents. *See id.* at Ex. A.

The arm's-length nature of these negotiations is further confirmed by the Settlement itself: it provides significant cash payments to Settlement Class Members, and contains no provisions that might suggest fraud or collusion, such as “clear sailing” or “kicker” clauses regarding attorneys’ fees. *See Snyder*, 2019 WL 2103379, at *4 (approving settlement where there is “no clear sailing clause regarding attorneys’ fees, and none of the other types of settlement terms that sometimes suggest something other than an arm’s length negotiation”).

In sum, here the Settlement reached was the result of the Parties’ good faith, arm's-length negotiations lasting several months, and it is entirely free from fraud or collusion. *See Schulte v. Fifth Third Bank*, 2010 WL 8816289, at *4 n.5 (N.D. Ill. 2010) (noting that courts “presume the absence of fraud or collusion in negotiating the settlement, unless evidence to the contrary is offered”).

C. The Settlement Treats All Settlement Class Members Equally

The next Rule 23(e)(2) factor considers whether the proposed settlement “treats class members equitably relative to each other.” Fed. R. Civ. P. 23(e)(2)(D). Given that each Settlement Class Member has nearly identical BIPA claims the proposed Settlement treats each of them identically. In terms of monetary relief, each of the 628 Settlement Class Members who does not exclude him or herself will automatically receive a *pro rata* cash payment from the Net Settlement Fund, which the Parties currently estimate to be \$783.38 per Settlement Class Member. *See Lechner Decl.* ¶¶ 17-18; *Fraietta Decl.* ¶ 18; *Agreement* ¶ 2.1(b); *see also Ortiz v. Fibreboard Corp.*, 527 U.S. 815, 855 (1999) (where class members are similarly situated with similar claims, equitable treatment is “assured by straightforward pro rata distribution of the limited fund”).

At the Preliminary Approval hearing, the Court questioned whether treating each Settlement Class Member equally by allotting each individual who does not exclude him or herself a *pro rata* cash payment from the Net Settlement Fund was the most equitable distribution method, as it fails to consider the “number of times [he or she] put their fingerprint on the reader.” ECF No. 58 at 6:18.

Plaintiff and Class Counsel believe that allotting *pro rata* cash payments to each Settlement Class Member is an equitable and fair outcome here in light of the Illinois Supreme Court’s decision in *Cothron v. White Castle Sys., Inc.*, 2023 IL 128004. The *Cothron* court determined that “a claim accrues under the Act with every scan or transmission of biometric identifiers or biometric information without prior informed consent,”— not that each violative scan of biometric identifiers receives statutory damages. *Cothron v. White Castle Sys., Inc.*, 2023 IL 128004, ¶ 45, *as modified on denial of reh’g* (July 18, 2023). In fact, the *Cothron* court

found that “the General Assembly chose to make damages discretionary rather than mandatory under the Act.” *Cothron v. White Castle Sys., Inc.*, 2023 IL 128004, ¶ 42, 216 N.E.3d 918, 929, as modified on denial of reh’g (July 18, 2023) (citing 740 ILCS 14/20 (West 2018)). And the Complaint does not seek “per scan” damages, but rather seeks damages for each violation of BIPA, *i.e.*, a violation of Sections 15(a) and 15(b). *See generally* Complaint.²

In sum, the Parties recognize that the Plaintiff and the Settlement Class could have just as easily recovered less payment or even no payment. As such, the Plaintiff and Class Counsel believe the current *pro rata* cash payment to each Settlement Class Member who does not object or opt out of the Settlement is a fair and reasonable outcome. And that zero Settlement Class Members objected or opted out of the Settlement suggests the Settlement Class agrees.

D. The Relief Secured For The Settlement Class Is Adequate And Warrants Approval

The final and most substantive factor under Rule 23(e)(2) examines whether the relief provided for the class is adequate. *See* Fed. R. Civ. P. 23(e)(2)(C); *Gehrich v. Chase Bank USA, N.A.*, 316 F.R.D. 215, 227 (N.D. Ill. 2016) (“‘The most important factor’ in determining whether a proposed settlement satisfies Rule 23 is the strength of plaintiffs’ case on the merits balanced against the amount offered in the settlement. Specifically, the court must ‘estimate the likely outcome of a trial’ to determine the adequacy of a settlement.”) (internal citations omitted). In making this determination, Rule 23 instructs courts to consider: (i) the cost, risks, and delay of trial and appeal; (ii) the effectiveness of the proposed method of distributing relief to the class; (iii) the terms of any proposed award of attorneys’ fees, including timing of payment; and (iv) any agreements made in connection with the proposed settlement. *See Ortiz*, 527 U.S. at

² Indeed, on June 14, 2024, the Illinois Legislature passed a bill and sent it to the Governor that clarifies that so-called “per scan” damages are not available under BIPA. *See* Illinois Gen. Ass., <https://www.ilga.gov/legislation/BillStatus.asp?DocNum=2979&GAID=17&DocTypeID=SB&LegID=152094&SessionID=112&GA=103> (last visited June 26, 2024).

855. As explained below, each of these sub-factors demonstrate that the Settlement in this case provides extraordinary relief to the proposed Class and should be approved.

1. The Cost, Risk, And Delay Of Further Litigation Compared To The Settlement's Benefits Favors Final Approval

In evaluating the adequacy of the relief provided to the class, courts should first compare the cost, risks, and delay of pursuing a litigated outcome to the settlement's immediate benefits. *See Fed. R. Civ. P. 23(e)(2)* Advisory Committee's Note to 2018 amendment. The Settlement here warrants approval because it provides immediate relief to the Settlement Class while avoiding potentially years of complex litigation and appeals. *See Goldsmith v. Tech. Sols. Co.*, 1995 WL 17009594, at *4 (N.D. Ill. Oct. 10, 1995) ("As courts recognize, a dollar obtained in settlement today is worth more than a dollar obtained after a trial and appeals years later."). And, as aforementioned, the Settlement was reached despite the pendency of appeals on various legal issues that could deprive the Settlement Class of any recovery whatsoever, or significantly reduce any prospective recovery. *See supra* § I.A.

Likewise, the Parties also would have been forced to litigate the issue of class certification. *See Fed. R. Civ. P. 23(e)(2)* Advisory Committee's Note to 2018 Amendment (instructing courts to consider the likelihood of certifying the class for litigation in evaluating this sub-factor). Although Plaintiff believes this case is amenable to class certification given Defendant's uniform conduct, that process is by no means risk-free. And even if Plaintiff had succeeded at class certification, summary judgment, and/or trial, Plaintiff expected that Defendant would argue for a reduction in damages based on due process in light of the significant potential statutory damages at issue. *See, e.g., Parker v. Time Warner Entm't Co.*, 331 F.3d 13, 22 (2d Cir. 2003). Protracted litigation would also consume significant resources, including the time and costs associated with discovery, securing expert testimony on complex

biometric and data storage issues, and again, motion practice, trial and any appeals. It is possible that “this drawn-out, complex, and costly litigation process … would provide [Settlement] Class Members with either no in-court recovery or some recovery many years from now [.]” *In re AT & T Sales Tax Litig.*, 789 F. Supp. 2d 935, 964 (N.D. Ill. 2011). Because the proposed Settlement offers immediate—and substantial—monetary relief to the Settlement Class and a prompt end to Defendant’s alleged misconduct while avoiding the need for extensive and drawn-out litigation, preliminary approval is appropriate. *See, e.g., Schulte v. Fifth Third Bank*, 805 F. Supp. 2d 560, 586 (N.D. Ill. 2011) (“Settlement allows the class to avoid the inherent risk, complexity, time, and cost associated with continued litigation.”).

2. The Method Of Distributing Relief To The Settlement Class Members Is Effective And Supports Final Approval

The next sub-factor evaluates whether the settlement’s proposed method of distributing relief to the class is effective. *See* Fed. R. Civ. P. 23(e)(2)(C)(ii). An effective distribution method “get[s] as much of the available damages remedy to class members as possible and in as simple and expedient a manner as possible.” 4 NEWBERG ON CLASS ACTIONS § 13:53. The Settlement easily accomplishes that by automatically providing cash payments—estimated to be \$783.38—to every Settlement Class Member who does not opt-out of the Settlement. *See* Fraietta Decl. ¶ 18; Agreement ¶ 2.1(b).

3. The Terms Of The Requested Attorneys’ Fees Are Reasonable

The third and final relevant sub-factor considers the adequacy of the relief provided to the class taking into account “the terms of the requested attorney’s fees, including timing of payment.” Fed. R. Civ. P. 23(e)(2)(C)(iii). Class Counsel petitioned the Court for an award of reasonable attorneys’ fees on May 17, 2024. *See* ECF No. 60. The Settlement’s contemplated method of calculating attorneys’ fees (*i.e.*, the percentage-of-the-fund method, *see* Agreement

¶ 8.1) and its limit on attorneys' fees (*i.e.*, no more than thirty-five percent of the Settlement Fund, *see id.*) are reasonable and predicated on the outstanding relief provided to the Settlement Class. A thirty-five percent fee award falls comfortably within the range of typical fee awards in BIPA cases. *See, e.g., Sekura v. LA Tan Enterprises, Inc.*, 2015-CH-16694 (awarding 40% of fund); *Zepeda v. Intercontinental Hotels Grp., Inc.*, 2018-CH-02140 (awarding 40% of fund); *Svagdis v. Alro Steel Corp.*, No. 2017-CH-12566 (awarding 40% of fund); *see also* 5 NEWBERG ON CLASS ACTIONS § 15:83 (noting that, generally, “50% of the fund is the upper limit on a reasonable fee award from any common fund”). Accordingly, that the Settlement permits the Court to award thirty-five percent of the fund in attorneys' fees is more than appropriate. These terms are reasonable and should be finally approved.³

For these reasons, Plaintiff and proposed Class Counsel submit that the relief provided by the Settlement weighs heavily in favor of a finding that it is fair, reasonable, and adequate, and well within the range of possible approval. As such, the Court should grant final approval.

E. Class Members Overwhelmingly Support The Settlement

The Seventh Circuit also finds final approval to be warranted where, as here, the class overwhelmingly approves of the Settlement. *See Schulte v. Fifth Third Bank*, 805 F.Supp.2d 560, 586 (N.D. Ill. 2011) (granting final approval to settlement where only a small percentage of affected parties opposed the settlement). Here, the Class Members have overwhelmingly affirmed the Court's judgment at preliminary approval that the Settlement is fair, reasonable, and adequate. Direct notice was delivered to 97.29% of the Class Members and, to date, **zero** have objected or requested to be excluded. *See* Lechner Decl. ¶¶ 11, 18. Class Members' responses

³ Rule 23(e)(3) requires disclosure of agreements made in connection with the proposal. There are no such agreements beyond the Settlement Agreement. *See* Fraietta Decl. ¶ 33. Thus, this factor weighs in favor of final approval.

to the Notices demonstrate their support for the Settlement, including the benefits to the Class, the incentive award, and proposed attorneys' fees, costs, and expenses. The lack of objections supports a finding that the Settlement is fair, reasonable, and adequate, and should be approved. *See In re Mexico Money Transfer Litig.*, 164 F. Supp. 2d 1002, 1021 (N.D. Ill. 2000) (holding that the fact that more than “99.9% of class members neither opted out nor filed objections... is strong circumstantial evidence in favor of the settlement”). In endorsing the Settlement, Class Members had easy access to information regarding the Settlement, including important documents such as the Settlement Agreement and Fee Petition, and a summary of the settlement terms and the claims being released. Therefore, the Court should grant final approval.

F. The Stage Of The Proceedings And The Amount Of Discovery Completed At The Time Of Settlement Support The Settlement

The last factor relevant to final approval in the Seventh Circuit concerns the stage of the proceedings and the amount of discovery completed. *See In re AT&T Mobility Wireless Data Services Sales Tax Litigation*, 789 F.Supp.2d 935, 966 (N.D. Ill. 2011) (finding this factor met where parties provided informal discovery that was more than sufficient for effective representation). As noted previously, the parties engaged in informal discovery to better assess the strengths of the claims and defenses presented and to assist in negotiations. Such informal discovery was sufficient to assess the merits of the claims. *See* Fraietta Decl. ¶¶ 14-15. Accordingly, the parties exchanged sufficient information to find that the Settlement is fair, reasonable, and adequate and should be approved. *See id.* ¶ 15.

II. THE SETTLEMENT CLASS SHOULD BE FINALLY CERTIFIED

At the preliminary approval stage, the Court certified the following Settlement Class for settlement purposes:

[A]ll individuals who worked or are currently working for Defendant in the State of Illinois, including former temporary

workers or contractors engaged by ABP, who allegedly had their Biometric Identifiers and/or Biometric Information collected, captured, received, or otherwise obtained or disclosed by Defendant or its agent(s) without first signing a written consent form between March 7, 2017 to March 23, 2021.

Preliminary Approval Order (ECF No. 59) ¶ 9. The Court's preliminary approval order also appointed Philip L. Fraietta and Joseph I. Marchese of Bursor & Fisher, P.A. as Class Counsel and Plaintiff Michael Hilliard as Class Representative, both for settlement purposes. *Id.* ¶ 8.

In doing so, the Court set forth an extensive analysis of the propriety of certification under Rule 23(a) and 23(b)(3), following the argument presented in the preliminary approval motion and at the preliminary approval hearing. *Id.* ¶ 10. This Court was correct in certifying the Class for settlement purposes pursuant to Rules 23(a) and (b)(3), and nothing has changed to alter the propriety of the Court's certification. This Court should now grant final certification of the Settlement Class.

CONCLUSION

For the reasons described above, Plaintiff respectfully requests that the Court grant his Motion for Final Approval of the Settlement and enter Final Judgment in the form submitted herewith.

No. 1:21-cv-0233

Judge John J. Tharp Jr.

CLASS ACTION SETTLEMENT AGREEMENT

This Agreement (“Agreement” or “Settlement Agreement”) is entered into by and among (i) Plaintiff Michael Hilliard (“Plaintiff”); (ii) the Settlement Class (as defined herein) (together with Plaintiff, the “Plaintiffs”); and (iii) Defendant ABP Corporation (“ABP”) (together with Plaintiff, the “Parties”). This Agreement is intended by the Parties to fully, finally, and forever resolve, discharge, and settle the Released Claims (as defined herein), upon and subject to the terms and conditions of this Agreement, and subject to the final approval of the Court.

RECITALS

A. On December 3, 2020, Plaintiff filed a two-count putative class action complaint against Panera, LLC in the Circuit Court of Cook County, Illinois, Sixteenth Judicial Circuit, entitled *Hilliard v. Panera, LLC*, Case No. 2020-CH-07056 (the “Action”). The material allegations of the Complaint were that Panera, LLC collected or captured fingerprints or hand scans of its current and former Illinois employees and temporary workers without first providing notice, obtaining informed written consent or making a biometric data retention and destruction policy publicly available. The Complaint alleges these individuals were required to “clock in”

with their alleged fingerprints and/or hand scans, in violation of the Illinois Biometric Privacy Act (“BIPA” or “Privacy Act”), 740 ILCS 14/1 *et seq.*

B. On January 14, 2021, Panera, LLC removed the Action to the United States District Court for the Northern District of Illinois (the “District Court”), where it was assigned Case No. 1:21-cv-00233. *See* ECF No. 1.

C. On January 15, 2021, Panera, LLC filed, with Plaintiff’s agreement, an Unopposed Motion for an Extension of Time to Answer or Otherwise Respond to Plaintiff’s Complaint, requesting that the Court extend its deadline to file a responsive pleading by 28 days, until March 8, 2021. *See* ECF No. 7. The Court granted Panera, LLC’s Unopposed Motion on January 19, 2021. *See* ECF No. 8.

D. On March 8, 2021, Panera, LLC filed a Motion to Dismiss Plaintiff’s Class Action Complaint citing the pending decisions by: (i) the Seventh Circuit Court of Appeals in *Cothron v. White Castle System, Inc.*, No 20-3202; (ii) the Illinois Appellate Court for the First Judicial District in *Tims v. Black Horse Carriers, Inc.*, Case No. 1-20-0562; (iii) the Illinois Appellate Court for the Third Judicial District in *Marion v. Ring Container Techs., LLC*, No. 3-20-0184; and (iv) the Illinois Supreme Court in *In re: McDonald v. Symphony Bronzeville Park, LLC*, No. 126511 (Ill.). *See* ECF Nos. 10–11. The same day, Panera, LLC filed a Motion to Stay the Proceedings, which the Court denied without prejudice. *See* ECF Nos. 12–13.

E. Plaintiff filed a First Amended Complaint on March 29, 2021, seeking to terminate Panera, LLC as a party and to substitute in ABP as the defendant. *See* ECF No. 14. The next day, March 30, 2021, the Court dismissed Panera, LLC from the case without prejudice and denied Panera, LLC’s Motion to Dismiss as moot. *See* ECF No. 15.

F. On June 11, 2021, ABP filed a Motion to Dismiss. *See* ECF No. 21–22. Plaintiff opposed ABP’s motion on July 12, 2021. *See* ECF No. 26.

G. On August 2, 2021, ABP filed an Unopposed Motion to Stay All Proceedings pending the decisions in the same four appeals cases cited by Panera, LLC. *See* ECF No. 27. The Court granted the Motion to Stay in part and ordered the Parties to file a joint status report within fourteen (14) days of a ruling in any of the cases identified in the Motion to Stay. *See* ECF No. 28. On September 8, 2021, the Court denied ABP's Motion to dismiss without prejudice. *See* ECF No. 29.

H. On September 17, 2021, the First District Illinois Appellate Court issued a decision in *Tims v. Black Horse Carriers, Inc.*, Case No. 1-20-0562, finding that claims brought pursuant to BIPA Sections 15(c) and (d) are governed by a one-year statute of limitations. Conversely, the First District also held that claims brought pursuant to BIPA Sections 15(a), 15(b), and 15(e) are not governed by Section 13-201's one-year limitations period. *See* 2021 Ill App (1st) 200563. On October 1, 2021, the Parties filed a Joint Status Report updating the Court of the same and clarifying the *Tims* decision's inability to govern the Plaintiff's claims under BIPA Sections 15(a) and (b). *See* ECF No. 30.

I. On December 20, 2021, the Seventh Circuit issued its decision in *Cothron v. White Castle*, but certified to the Illinois Supreme Court the question of whether BIPA Section 15(b) and 15(d) claims accrue each time a private entity transmits the scan to a third party or only upon the first scan and transmission. *See* 20 F.4th 1156 (7th Cir. 2021). On December 23, 2021, the Illinois Supreme Court accepted the certified question. *See id.* On February 3, 2022, the Illinois Supreme Court found in *McDonald v. Bronzeville Park, LLC*, that the Workers' Compensation Act does not bar BIPA claims. *See* 2022 IL 126511. On February 9, 2022, the Parties filed a Joint Status Report informing the Court of the same. *See* ECF No. 31.

J. On January 27, 2023, the Parties filed a Joint Status Report pursuant to the Court's January 4, 2023 Order. *See* ECF Nos. 33–34. The Joint Status Report updated the Court that the

question of when Plaintiff's BIPA claims accrued remained an open question of law that the Illinois Supreme Court would resolve in *Tims v. Black Horse Carriers, Inc.*, Case No. 127801 (Ill.). *See* ECF No. 34 at 3.

K. On February 2, 2023, the Illinois Supreme Court filed an opinion holding that a five-year statute of limitations applied to Plaintiff's BIPA claims. *See Tims*, Case No. 127801 (Ill.). And on February 17, 2023, the Illinois Supreme Court filed an opinion holding that a separate claim accrues under BIPA each time a private entity scans or transmits an individual's biometric identifier or information in violation of BIPA Section 15(b) or 15(d). *See Cothron v. White Castle*, 20 F.4th 1156 (7th Cir. 2021).

L. Pursuant to the Court's January 30, 2023 Order, the Parties filed a Joint Status Report on April 28, 2023 updating the Court of the Illinois Supreme Court's decisions. *See* ECF Nos. 35, 38. The Court lifted the stay on the case on May 1, 2023. *See* ECF No. 39.

M. On May 15, 2023, the Parties proposed a case management schedule, which the Court adopted on May 18. *See* ECF Nos. 42–43. The case then proceeded into fact discovery.

N. In accordance with Fed. R. Civ. P. 26(f), the Parties engaged in settlement discussions throughout the pendency of the case. Those discussions ultimately led to an agreement to mediate the case with the Honorable James F. Holderman (Ret.), formerly the Chief Judge of the Northern District of Illinois, and now with JAMS.

O. On October 11, 2023, the Parties filed a Joint Motion to Stay Proceedings pending mediation. *See* ECF No. 47. On October 12, 2023, the District Court entered an order granting the Parties' Joint Motion to Stay and set a status report to be due within five business days of the mediation. *See* ECF No. 48.

P. On January 25, 2024, the Parties mediated with Judge Holderman. The mediation was successful, and the Parties reached the settlement terms set forth in this Agreement.

Q. At all times, ABP has denied and continues to deny any wrongdoing whatsoever, denies that it committed, or threatened or attempted to commit, any wrongful act or violation of the Privacy Act, and denies that certification of a litigation class is necessary or proper. Accordingly, any references to alleged Privacy Act violations or business practices of ABP in this Agreement, any settlement document, or the related Court hearings and processes will raise no inference with respect to the propriety of those business practices or any other business practices of ABP. Nonetheless, taking into account the uncertainty and risks inherent in any litigation and the desire to avoid the expenditure of further legal fees and costs, ABP has concluded it is desirable and beneficial that the Action be fully and finally settled and terminated in the manner and upon the terms and conditions set forth in this Agreement to avoid further expense, inconvenience, and burden. This Agreement is a compromise, and the Agreement, any related documents, and any negotiations resulting in it shall not be construed as or deemed to be evidence of or an admission or concession of liability or wrongdoing on the part of ABP, or any of the Released Parties (defined below), with respect to any claim of any fault or liability or wrongdoing or damage whatsoever or with respect to the certifiability of a litigation class.

R. Plaintiff believes that the claims asserted in the Action against ABP have merit and that they would have prevailed at summary judgment and/or trial. Nonetheless, Plaintiff and Class Counsel recognize that ABP has raised factual and legal defenses that present a risk that Plaintiff may not prevail. Plaintiff and Class Counsel also recognize the expense and delay associated with continued prosecution of the Action against ABP through class certification, summary judgment, trial, and any subsequent appeals. Plaintiff and Class Counsel also have taken into account the uncertain outcome and risks of litigation, especially in complex class actions, as well as the difficulties inherent in such litigation. Therefore, Plaintiff believes it is desirable that the Released Claims, as further defined herein, be fully and finally compromised, settled, and resolved with

prejudice. Based on its evaluation, Class Counsel has concluded that the terms and conditions of this Agreement are fair, reasonable, and adequate to the Settlement Class, and that it is in the best interests of the Settlement Class to settle the claims raised in the Action pursuant to the terms and provisions of this Agreement.

S. ABP maintains that it has a number of meritorious defenses to the claims asserted in this action, and that ABP would prevail in this matter on summary judgment or at trial. ABP denies any wrongdoing and any liability to Plaintiff and the Settlement Class whatsoever. ABP also denies that class certification is warranted or appropriate. Nevertheless, ABP recognizes the risks and uncertainties inherent in litigation, the significant expense associated with defending class actions, the costs of any appeals, and the disruption to business operations arising out of class action litigation. ABP also recognizes the risks that a trial on class-wide claims might present. Accordingly, ABP believes that the settlement set forth in the Agreement is likewise in the best interests of all parties involved.

NOW, THEREFORE, IT IS HEREBY STIPULATED AND AGREED by and among Plaintiff, the Settlement Class, and ABP, by and through its undersigned counsel that, subject to final approval of the Court after a hearing or hearings as provided for in this Settlement Agreement, in consideration of the benefits flowing to the Parties from the Agreement set forth herein, that the Action and the Released Claims shall be finally and fully compromised, settled, and released, and the Action shall be dismissed with prejudice, upon and subject to the terms and conditions of this Agreement.

1.23 “Plaintiffs” means Michael Hilliard and the Settlement Class Members.

1.24 “Preliminary Approval” means the Court’s conditional certification of the Settlement Class for settlement purposes, preliminary approval of this Settlement Agreement, and approval of the form and manner of the Notice.

1.25 “Preliminary Approval Order” means the Order preliminarily approving the Settlement Agreement, conditionally certifying the Settlement Class for settlement purposes, and directing notice thereof to the Settlement Class.

1.26 “Released Claims” means any and all claims or causes of action for actual damages, liquidated damages, penalties, injunctive relief, declaratory relief, attorneys’ fees and costs, expenses and interest, liabilities, demands, or lawsuits against the Released Parties (defined below) under the Biometric Information Privacy Act, 740 ILCS 14/1 *et seq.*, and all other related federal, state, and local laws, including the common law, whether known or unknown, whether legal, statutory, equitable, or of any other type or form, and whether brought in an individual, representative, or any other capacity, of every nature and description whatsoever that were or could have been brought in any of the actions filed (or to be filed) by Plaintiff and the Settlement Class Members.

1.27 “Released Parties” means ABP and its current and former affiliates, parents, subsidiaries, divisions, joint venturers, officers, directors, shareholders, agents, representatives, employees, attorneys, insurers, benefit plans, predecessors, and successors.

1.28 “Releasing Parties” means Plaintiff, those Settlement Class Members who do not timely opt out of the Settlement Class, and all of their respective present or past heirs, spouses, parents, children, guardians, associates, co-owners, executors, estates, administrators, predecessors, successors, assigns, parent companies, subsidiaries, associates, affiliates, employers, employees, agents, consultants, independent contractors, insurers, directors, managing directors, officers, partners, principals, members, attorneys, accountants, financial and other advisors, underwriters, shareholders, lenders, auditors, investment advisors, legal representatives, successors in interest, assigns and companies, firms, trusts, limited liability companies, partnerships and corporations.

1.29 “Settlement Administration Expenses” means the expenses incurred by the Settlement Administrator in providing Notice, processing claims, responding to inquiries from members of the Settlement Class, mailing checks, and related services, paying taxes and tax

expenses related to the Settlement Fund (including all federal, state or local taxes of any kind and interest or penalties thereon, as well as expenses incurred in connection with determining the amount of and paying any taxes owed and expenses related to any tax attorneys and accountants).

1.30 “Settlement Administrator” means a reputable administration company that has been selected by Class Counsel and is reasonably acceptable to and approved by the Court to perform the duties set forth in this Agreement, including but not limited to overseeing the distribution of Notice, as well as the processing and payment of checks to the Settlement Class as set forth in this Agreement, and disbursing all approved payments out of the Settlement Fund, and handling the determination, payment and filing of forms related to all federal, state and/or local taxes of any kind (including any interest or penalties thereon) that may be owed on any income earned by the Settlement Fund.

1.31 “Settlement Class” means all individuals who worked for ABP in the State of Illinois, including former temporary workers or contractors engaged by ABP, who had their Biometric Identifiers and/or Biometric Information allegedly collected, captured, received, or otherwise obtained or disclosed by ABP or its agents, without first signing a written consent form, for the period extending from March 7, 2017, to March 23, 2021. Excluded from the Settlement Class are (1) any Judge or Magistrate presiding over this Action and members of their families; (2) Persons who properly execute and file a timely request for exclusion from the class; and (3) the legal representatives, successors or assigns of any excluded Persons.

1.32 “Settlement Class Member” means a Person who falls within the definition of the Settlement Class.

1.33 “Settlement Fund” means the non-reversionary cash fund that shall be established by the Settlement Administrator and funded by ABP in the total amount of eight hundred and six thousand, two hundred and fifty dollars (\$806,250 USD) (the “Settlement Amount”), according to

the schedule set forth herein. From the Settlement Fund, the Settlement Administrator shall issue all payments to Settlement Class Members, Settlement Administration Expenses, any incentive award to the Class Representative, any Fee Award to Class Counsel, and any other costs, fees or expenses approved by the Court. The Settlement Administrator shall be granted permission to access said funds as set forth herein. The Settlement Administrator shall be responsible for all tax filings with respect to any earnings on the Settlement Fund and the payment of all taxes that may be due on such earnings. The Settlement Fund represents the total extent of ABP's monetary obligations under this Agreement. The payment of the Settlement Amount by ABP fully discharges ABP and the other Released Parties' financial obligations (if any) in connection with the Settlement Agreement, meaning that no Released Party shall have any other obligation to make any payment to any Class Member, or any other Person, under this Agreement. The total monetary obligation with respect to this Agreement shall not exceed eight hundred and six thousand two hundred and fifty dollars (\$806,250 USD), unless the final count of Settlement Class Members on the Class List following de-duplication by the Settlement Administrator is not 645 Persons, in which case ABP shall either increase or decrease the Settlement Fund by an amount proportionate to the final count of Settlement Class Members (*i.e.*, one thousand two hundred and fifty dollars (\$1,250) multiplied by the final count of Settlement Class Members).

1.34 “Unknown Claims” means claims that could have been raised in the Action and that any or all of the Releasing Parties do not know or suspect to exist, which, if known by him or her, might affect his or her agreement to release the Released Parties or the Released Claims or might affect his or her decision to agree, object or not to object to the Settlement Agreement.

2. SETTLEMENT RELIEF.

2.1 Payments to Settlement Class Members.

(a) Within ten (10) days after the Court enters the Preliminary Approval Order and the Settlement Administrator provides ABP with the information needed to transfer funds to the Settlement Fund, whichever is later, ABP shall fund the Settlement Fund.

(b) Each Settlement Class Member who does not object to, or opt out of, the settlement shall receive as a Cash Award a *pro rata* portion of the Settlement Fund, calculated by the Settlement Administrator, after deducting all Settlement Administration Expenses, any Fee Award to Class Counsel, any service award to the Class Representative, and any other costs, fees, or expenses approved by the Court, unless the Settlement Class Member excludes himself or herself from the Settlement Agreement.

(c) Except for any Settlement Class Member for whom the Settlement Administrator is unable to identify a postal address or e-mail address that it determines is reasonably likely to be the current place of residence (or an active e-mail address) for such Settlement Class Member, after taking measures reasonably necessary to identify such an address (as detailed further in Paragraph 4.1(b)), each Settlement Class Member will be sent via U.S. postal mail (and/or e-mail to the extent a postal address is unavailable for a Settlement Class Member) a copy of the Class Notice, which will also indicate the estimated amount of the Cash Award that the Settlement Class Member will be paid upon final approval of the Settlement Agreement unless the Settlement Class Member opts out of the Settlement Agreement.

(d) After final approval of the Settlement Agreement, a direct payment by check will be made to each Settlement Class Member who did not exclude himself or herself for whom at least one postal address has been identified by the Settlement Administrator that the Settlement Administrator concludes is reasonably likely to reflect the current residence of such

Settlement Class Member, after taking measures reasonably necessary to identify such an address, as set forth more fully in Paragraph 4.1(b); to the extent multiple such postal addresses are identified by the Settlement Administrator for a particular Settlement Class Member, such check shall be sent to the address that the Settlement Administrator concludes is the most likely among such multiple addresses to reflect the current residence of such Settlement Class Member. The foregoing direct payment procedure shall apply for all Settlement Class Members for whom a postal address has been identified unless the Settlement Class Member submits an updated address to which their check should be sent on a web-based form on the Settlement Website, in which case such check will be sent to the updated address that was provided.

(e) Each check issued will state on its face that the check will expire and become null and void unless cashed within one hundred and eighty (180) days of the date of issuance. To the extent that a check issued to a Settlement Class Member is not cashed within 180 days after the date of issuance (which issuance shall be no sooner than five (5) days prior to such check's mailing), the check will be void. Payments to all Settlement Class Members who do not exclude themselves from the Settlement Agreement shall be made within twenty-eight (28) days after the Effective Date of the Settlement Agreement.

(f) To the extent that any checks issued to a Settlement Class Member are not cashed within one hundred and eighty (180) days after the date of issuance, such uncashed check funds shall, subject to Court approval, shall be paid to the Chicago Legal Clinic, a non-sectarian, not-for-profit organization.

2.2 Prospective Relief

(a) ABP will represent that it is no longer using "biometric time clocks" in Illinois and will agree that to the extent it reinstates the use of "biometric time clocks" it will provide all notices and obtain all consents as required by BIPA.

3. RELEASE.

3.1 The obligations incurred pursuant to this Settlement Agreement shall be a full and final disposition of the Action and any and all Released Claims, as against all Released Parties.

3.2 Upon the Effective Date, the Releasing Parties, and each of them, shall be deemed to have, and by operation of the Final Judgment shall have, fully, finally, and forever released, relinquished, and discharged all Released Claims against the Released Parties, and each of them.

4. NOTICE TO THE CLASS.

4.1 The Notice Plan shall consist of the following:

(a) *Settlement Class List.*

(i) No later than twenty-eight (28) days after the full execution of the final Settlement Agreement, ABP shall produce the Class List to the Settlement Administrator with a copy to Class Counsel.

(ii) Requests by individuals outside the Settlement Class List for inclusion in the Settlement Class will be brought to ABP's attention for its review and determination by the Settlement Administrator and/or Class Counsel.

(b) *Method for Providing Notice.*

i. The Notice shall provide information to each Settlement Class Member regarding (a) the specific amount of the Cash Award that will be paid to each Settlement Class Member upon final approval; (b) the amount of the incentive award and the Fee Award to be requested by Plaintiff and Class Counsel; (c) the Objection/Exclusion Deadline and the requirements and process for filing an objection to or a request for exclusion from the Settlement Agreement; and (d) the URL of the Settlement Website, where additional information and documents concerning the Settlement Agreement may be obtained.

- ii. The U.S. Mail addresses and/or e-mail addresses contained on the Class List are presumptively accurate, and the Settlement Administrator shall not be required to independently verify U.S. Mail addresses and/or e-mail addresses contained on the Class List. To the extent the Class List does not contain a U.S. Mail address and/or e-mail address for a Class Member, or the Settlement Administrator has an independent basis to conclude there is a reasonably likelihood the U.S. Mail address and/or e-mail address on the Class List is not valid (e.g. the address is incomplete or the notice is returned), the Settlement Administrator shall take measures reasonably necessary to identify such an address.
- iii. For every Settlement Class Member for whom the Settlement Administrator has been able to identify a postal address that it concludes has a reasonable likelihood of reflecting the current residence of such Settlement Class Member, as identified by the Settlement Administrator after taking measures reasonably necessary to identify such an address, the Settlement Administrator shall send the Notice to the Settlement Class Member at such address via postal mail.
- iv. For any Settlement Class Member for whom the Settlement Administrator is unable to identify at least one postal address that it concludes has a reasonable likelihood of reflecting the current residence of such Settlement Class Member, the Notice will be delivered to any and all e-mail addresses specified in the Class List or otherwise identified by the Settlement Administrator as being reasonably likely to belong to such Settlement Class Member (after taking measures reasonably necessary to identify such e-mail address(es)).

v. If any Notice sent to a Settlement Class Member is returned as undeliverable, the Settlement Administrator shall redeliver the Notice to any alternative postal address(es) identified by the Settlement Administrator as having a reasonable likelihood of being the current place of residence for such Settlement Class Member (or, if none is available, to any e-mail address(es) believed to belong to the Settlement Class Member), after taking measures reasonably necessary to locate such addresses.

(c) *Settlement Website.* Within ten (10) days from entry of the Preliminary Approval Order, Notice shall be provided on a website (the “Settlement Website”) at an available settlement URL (such as, for example, www.ABP.BIPAsettlement.com) which shall be obtained, administered and maintained by the Settlement Administrator. The Notice provided on the Settlement Website shall be substantially in the form of Exhibit A hereto.

4.2 The Notice shall be designed to achieve no less than seventy-five percent (75%) reach, and shall advise the Settlement Class of their rights, including the rights to be excluded from, or object to, the Settlement Agreement or any of its terms. The Notice shall specify that any objection to the Settlement Agreement, and any papers submitted in support of said objection, shall be considered by the Court at the Final Approval Hearing only if, on or before the Objection/Exclusion Deadline approved by the Court and specified in the Notice, the Person making the objection files notice of an intention to do so and at the same time: (a) files copies of such papers he or she proposes to be submitted at the Final Approval Hearing with the Clerk of the Court, or alternatively, if the objection is from a Class Member represented by counsel, files any objection through the Court’s electronic filing system; and (b) sends copies of such papers by mail, hand, or overnight delivery service to Class Counsel and ABP’s Counsel.

4.3 Any Settlement Class Member who intends to object to this Agreement must present the objection in writing, which must be personally signed by the objector, and must include: (1) the objector's name and address; (2) an explanation of the basis upon which the objector claims to be a Settlement Class Member; (3) all grounds for the objection, including all citations to legal authority and evidence supporting the objection; (4) the name and contact information of any and all attorneys representing, advising, or in any way assisting the objector in connection with the preparation or submission of the objection or who may profit from the pursuit of the objection (the "Objecting Attorneys"); and (5) a statement indicating whether the objector intends to appear at the Final Approval Hearing (either personally or through counsel who files an appearance with the Court).

4.4 If a Settlement Class Member or any of the Objecting Attorneys has objected to any class action settlement where the objector or the Objecting Attorneys asked for or received any payment in exchange for dismissal of the objection, or any related appeal, without any modification to the settlement, then the objection must include a statement identifying each such case by full case caption and amount of payment received.

4.5 A Settlement Class Member may request to be excluded from the Settlement Class by sending a written request postmarked on or before the Objection/Exclusion Deadline approved by the Court and specified in the Notice. To exercise the right to be excluded, a Person in the Settlement Class must timely send a written request for exclusion to the Settlement Administrator providing his/her name and address, a signature, the name and/or number of the case, and a clear statement that he or she wishes to be excluded from the Settlement Class for purposes of this Settlement Agreement. A request to be excluded that does not include all of this information, does not clearly state an intention to be excluded, or that is sent to an address other than that designated in the Notice, or that is not postmarked within the time specified, shall be invalid, and the Person(s)

serving such a request shall be a member(s) of the Settlement Class and shall be bound as a Settlement Class Member by this Agreement, if approved. Any member of the Settlement Class who validly elects to be excluded from this Agreement shall not: (i) be bound by any orders or the Final Judgment; (ii) be entitled to relief under this Settlement Agreement; (iii) gain any rights by virtue of this Agreement; or (iv) be entitled to object to any aspect of this Agreement. The request for exclusion must be personally signed by each Person requesting exclusion. So-called “mass” or “class” opt-outs shall not be allowed. To be valid, a request for exclusion must be postmarked or received by the date specified in the Notice.

4.6 The Final Approval Hearing shall be no earlier than ninety (90) days after the Notice described in Paragraph 4.1 is provided.

4.7 Any Settlement Class Member who does not, in accordance with the terms and conditions of this Agreement, seek exclusion from the Settlement Class shall be entitled to receive payment and benefits pursuant to this Agreement, and will be bound by all of the terms of this Agreement, including the terms of the Final Judgment to be entered in the Action and the Releases provided for in the Agreement, and will be barred from bringing any action against any of the Released Parties concerning the Released Claims.

5. SETTLEMENT ADMINISTRATION.

5.1 The Settlement Administrator shall, under the supervision of the Court, administer the relief provided by this Settlement Agreement through the Notice Plan. The Settlement Administrator shall maintain reasonably detailed records of its activities under this Agreement. The Settlement Administrator shall maintain all such records as are required by applicable law in accordance with its normal business practices and such records will be made available to Class Counsel and ABP’s Counsel upon request. The Settlement Administrator shall also provide reports and other information to the Court as the Court may require. The Settlement Administrator

shall provide Class Counsel and ABP's Counsel with regular reports at weekly intervals containing information concerning Notice, administration, and implementation of the Settlement Agreement. Should the Court request, the Parties shall submit a timely report, prepared by Class Counsel and/or the Settlement Administrator and approved by ABP, to the Court summarizing the work performed by the Settlement Administrator, including a report of all amounts from the Settlement Fund paid to Settlement Class Members. Without limiting the foregoing, the Settlement Administrator shall:

- (a) Upon request, forward to ABP's Counsel, with copies to Class Counsel, all original documents and other materials received in connection with the administration of the Settlement Agreement, and all copies thereof.
- (b) Provide Class Counsel and ABP's Counsel with drafts of all administration related documents, including but not limited to Notices, follow-up class notices or communications with Settlement Class Members, telephone scripts in a form approved by Class Counsel and ABP's Counsel, website postings or language or other communications in a form approved by Class Counsel and ABP's Counsel with the Settlement Class, at least five (5) days before the Settlement Administrator is required to or intends to publish or use such communications, unless Class Counsel and ABP's Counsel agree to waive this requirement in writing on a case by case basis;
- (c) Receive requests to be excluded from the Settlement Class and other requests and promptly provide copies to Class Counsel and ABP's Counsel. If the Settlement Administrator receives any exclusion forms or other requests after the deadline for the submission of such forms and requests, the Settlement Administrator shall promptly provide copies thereof to Class Counsel and ABP's Counsel;
- (d) Provide weekly reports to Class Counsel and ABP's Counsel, including without limitation, reports regarding the number of objections and/or exclusions received.

5.2 In the exercise of its duties outlined in this Agreement, the Settlement Administrator shall have the right to reasonably request additional information from the Parties or any Settlement Class Member.

5.3 ABP, the Released Parties, and ABP's Counsel shall have no responsibility for, interest in, or liability whatsoever with respect to: (i) any act, omission, or determination by Class Counsel, or the Settlement Administrator, or any of their respective designees or agents, in connection with the administration of the settlement or otherwise; (ii) the management, investment, or distribution of the Settlement Fund; (iii) the allocation of net Settlement Funds to Settlement Class Members or the implementation, administration, calculation or interpretation thereof; (iv) the determination, administration, calculation, or payment of any claims asserted against the Settlement Fund; or (v) the payment, reporting, or withholding of any taxes, tax expenses, or costs incurred in connection with the taxation of the Settlement Fund or the filing of any federal, state, or local returns.

5.4 All taxes and tax expenses shall be paid out of the Settlement Fund and shall be timely paid by the Settlement Administrator pursuant to this Agreement and without further order of the Court. Any tax returns or reporting forms prepared for the Settlement Fund (as well as the election set forth therein) shall be consistent with this Agreement and in all events shall reflect that all taxes on the income earned by the Settlement Fund shall be paid out of the Settlement Fund as provided herein. The Released Parties shall have no responsibility or liability for the acts or omissions of the Settlement Administrator or its agents with respect to the reporting or payment of taxes or tax expenses.

5.5 The Settlement Administrator shall report Cash Award payments made to each Settlement Class Member and the incentive award made to the Class Representative (including Settlement Class Members' and Class Representative's pro rata share of the Fee Award) on one or

more IRS Form 1099-MISCs. The Settlement Administrator shall be responsible for issuing and mailing the settlement checks, less required withholdings and deductions, if any, to each Settlement Class Member and to the Class Representative. Further, the Settlement Administrator shall be responsible for mailing the IRS Form 1099-MISCs to each Settlement Class Member, to the Class Representative, and to Class Counsel.

6. NO TERMINATION OF SETTLEMENT; CONTINUED GOOD FAITH NEGOTIATION.

6.1 In the event that the Court reduces or does not approve Class Counsel's Petition for Fee Award, Class Counsel shall not have the right to revoke this Settlement Agreement, which shall remain binding, and such unapproved amounts shall be returned to the Settlement Fund for distribution to the Settlement Class Members. Nothing herein shall be read to limit Class Counsel's ability to appeal a Fee Award that is less than what is sought.

If the Court does not grant preliminary or final approval of the Settlement Agreement or the Court grants preliminary or final approval by making material modifications to the terms of the Settlement Agreement, the Parties will work together in good faith to address the concerns raised in denying or modifying preliminary or final approval. If the Parties are unable to jointly agree on solutions to address the Court's concerns, then the Parties shall request the assistance of Judge Holderman of JAMS or another mediator, if Judge Holderman is unavailable. Notwithstanding the foregoing, if the Court makes or requires material modification to the Settlement Agreement (except for the Fee Award as set forth above, and subject to the limitation of the following sentence), including but not limited to the amount of the Settlement Fund, either party may terminate, nullify and/or void this Settlement Agreement by notifying the other party in writing. However, termination is not an option if an increase or decrease of the Settlement Fund is triggered based on a change in estimated class size, per Paragraph 1.33 above.

7. PRELIMINARY APPROVAL ORDER AND FINAL APPROVAL ORDER.

7.1 The Parties shall jointly move the Court for Preliminary Approval of the settlement set forth in this Agreement; conditional certification of the Settlement Class for settlement purposes only; appointment of Class Counsel and the Class Representative; and entry of a Preliminary Approval, which order shall set a Final Approval Hearing date and approve the Notice for dissemination substantially in the form of Exhibit A hereto.

7.2 At the time of the submission of this Agreement to the Court as described above, the Parties shall request that, after Notice is given, the Court hold a Final Approval Hearing and approve the settlement of the Action as set forth herein.

7.3 After Notice is given, the Parties shall request and seek to obtain from the Court a Final Judgment, which will (among other things):

(a) find that the Court has personal jurisdiction over all Settlement Class Members and that the Court has subject matter jurisdiction to approve the Agreement, including all Exhibits thereto;

(b) approve the Settlement Agreement and the proposed settlement as fair, reasonable, and adequate as to, and in the best interests of, the Settlement Class Members; direct the Parties and their counsel to implement and consummate the Agreement according to its terms and provisions; and declare the Agreement to be binding on, and have *res judicata* and preclusive effect in all pending and future lawsuits or other proceedings maintained by or on behalf of Plaintiff and Releasing Parties;

(c) find that the Notice implemented pursuant to the Agreement (1) constitutes the best practicable notice under the circumstances; (2) constitutes notice that is reasonably calculated, under the circumstances, to apprise the Settlement Class of the pendency of the Action, their right to object to or exclude themselves from the proposed Agreement, and to appear at the

Final Approval Hearing; (3) is reasonable and constitutes due, adequate, and sufficient notice to all persons entitled to receive notice; and (4) meets all applicable requirements of the Illinois Code of Civil Procedure, the Due Process Clause of the United States and Illinois Constitutions, and the rules of the Court;

(d) conditionally find that the prerequisites for a class action under Federal Rule of Civil Procedure 23 have been satisfied for settlement purposes for the Settlement Class in that: (1) the number of Settlement Class Members is so numerous that joinder of all members thereof is impracticable; (2) there are questions of law and fact common to the Settlement Class Members; (3) the claims of the Class Representative are typical of the claims of the Settlement Class he seeks to represent; (4) the Class Representative has and will continue to fairly and adequately represent the interests of the Settlement Class for purposes of entering into the Settlement Agreement; (5) the questions of law and fact common to Settlement Class Members predominate over any questions affecting any individual Settlement Class Member; (6) the Settlement Class is ascertainable; and (7) a class action is superior to the other available methods for the fair and efficient adjudication of the controversy.

(e) dismiss the Action (including all individual claims and Settlement Class Claims presented thereby) on the merits and with prejudice, without fees or costs to any party except as provided in the Settlement Agreement;

(f) incorporate the Release set forth above, make the Release effective as of the date of the Effective Date, and forever discharge the Released Parties as set forth herein;

(g) permanently bar and enjoin all Settlement Class Members from filing, commencing, prosecuting, intervening in, or participating (as class members or otherwise) in any lawsuit or other action in any jurisdiction based on the Released Claims;

(h) without affecting the finality of the Final Judgment for purposes of appeal, retain jurisdiction as to all matters relating to administration, consummation, enforcement, and interpretation of the Settlement Agreement and the Final Judgment, and for any other necessary purpose;

(i) close the case; and

(j) incorporate any other provisions, as the Court deems necessary and just, provided that such other provisions do not materially abridge, enlarge or modify any rights or responsibilities of the Released Parties or Settlement Class Members under this Agreement.

7.4 The Parties agree to stay all proceedings in the Action, other than those proceedings necessary to carry out or enforce the terms and conditions of the Settlement Agreement, until the Effective Date of the Settlement Agreement has occurred. The Parties agree to use their best efforts to carry out the terms of this Settlement Agreement. At no time shall either Party or their counsel seek to solicit or otherwise encourage Settlement Class Members to submit written objections to the Settlement Agreement or requests for exclusion from the Class, or appeal from the Court's Final Judgment.

8. CLASS COUNSEL'S ATTORNEYS' FEES AND REIMBURSEMENT OF EXPENSES; INCENTIVE AWARD.

8.1 ABP agrees that Class Counsel is entitled to reasonable attorneys' fees and unreimbursed expenses incurred as the Fee Award from the Settlement Fund. The amount of the Fee Award shall be determined by the Court based on petition from Class Counsel. Class Counsel has agreed, with no consideration from ABP, to limit its request for attorneys' fees and unreimbursed costs and expenses to thirty-five percent (35%) of the Settlement Fund (or two hundred and eighty-two thousand, one hundred eighty-seven dollars and fifty cents (\$282,187.50)), inclusive of reimbursement of Class Counsel's costs and expenses incurred on behalf of the Plaintiff and the Class. ABP may challenge the amounts requested. Should the Court award less

than the amount sought by Class Counsel, the difference in the amount sought and the amount ultimately awarded pursuant to this Section shall remain in the Settlement Fund.

8.2 The Fee Award shall be payable by the Settlement Administrator within (10) days after entry of the Court's Final Judgment and receipt by the Settlement Administrator of all payment routing information and tax I.D. numbers for Class Counsel and Class Counsel's W-9. Payment of the Fee Award shall be made from the Settlement Fund by wire transfer to Burstor & Fisher, P.A., in accordance with wire instructions to be provided by Burstor & Fisher, P.A., and completion of necessary forms, including but not limited to W-9 forms. Notwithstanding the foregoing, if for any reason the Final Judgment is reversed, vacated or rendered void or the Fee Award is reduced as a result of an appeal, then Class Counsel shall promptly return the Fee Award in full or in part to the Settlement Fund within fourteen (14) days of the court's decision.

8.3 The Parties agree that the Class Representative shall be paid a Class Representative incentive award of up to five thousand dollars (\$5,000 USD) from the Settlement Fund, in addition to any Cash Award pursuant to this Settlement Agreement, in recognition of his efforts on behalf of the Settlement Class and subject to Court approval. Should the Court award less than this amount, the difference in the amount sought and the amount ultimately awarded pursuant to this Section shall remain in the Settlement Fund. Any awards shall be paid by the Settlement Administrator from the Settlement Fund (in the form of a check addressed to the Class Representative that is sent to Class Counsel), within five (5) business days after the Effective Date.

9. CONDITIONS OF SETTLEMENT, EFFECT OF DISAPPROVAL, CANCELLATION OR TERMINATION.

9.1 The Effective Date of this Settlement Agreement shall not occur until all of the following events occur, and shall be the date which falls ten (10) calendar days after the last (in time) of the following events:

- (a)** The Parties and their counsel have executed this Agreement;

- (b) The Court has entered the Preliminary Approval Order;
- (c) The Court has entered an order finally approving the Agreement, following Notice to the Settlement Class and a Final Approval Hearing, as provided in the Federal Rules of Civil Procedure, and has entered the Final Judgment, or a judgment consistent with this Agreement in all material respects; and
- (d) The Final Judgment has become Final, as defined above, or, if the Court enters an Alternate Judgment, and neither party elects to terminate, nullify, or void this Agreement as a result of the entry of the Alternate Judgment, when such Alternate Judgment becomes Final.

9.2 Notwithstanding anything herein, the Parties agree that the Court's failure to approve, in whole or in part, Class Counsel's request for payment of attorneys' fees, costs and/or expenses and/or the request for incentive award payments set forth in Paragraph 8 above shall not prevent the Agreement from becoming effective, nor shall it be grounds for termination.

10. MISCELLANEOUS PROVISIONS.

10.1 The Parties acknowledge that it is their intent to consummate this Settlement Agreement and agree, subject to their fiduciary and other legal obligations, to cooperate to the extent reasonably necessary to effectuate and implement all terms and conditions of this Agreement, to exercise their reasonable best efforts to accomplish the foregoing terms and conditions of this Agreement, to secure final approval, and to defend the Final Judgment through any and all appeals. Class Counsel and ABP's Counsel agree to cooperate with one another in seeking Court approval of the Settlement Agreement, entry of the Preliminary Approval Order, and the Final Judgment, and promptly to agree upon and execute all such other documentation as may be reasonably required to obtain final approval of the Agreement, subject to the terms set forth herein.

10.2 The Parties intend this Settlement Agreement to be a final and complete resolution of all disputes between them with respect to the Released Claims by Plaintiff, the Settlement Class and each or any of them, on the one hand, against the Released Parties, and each or any of the Released Parties, on the other hand. Accordingly, the Parties agree not to assert in any forum that the Action was brought by Plaintiff or defended by ABP, or each or any of them, in bad faith or without a reasonable basis.

10.3 The Parties have relied upon the advice and representation of counsel, selected by them, concerning their respective legal liability for the claims hereby released. The Parties have read and understand fully the above and foregoing agreement and have been fully advised as to the legal effect thereof by counsel of their own selection and intend to be legally bound by the same.

10.4 Neither this Agreement nor any other settlement document, nor the settlement contained herein or any term, provision or definition therein, nor any act or communication performed or document executed in the course of negotiating, implementing or seeking approval pursuant to or in furtherance of this Agreement or the settlement:

(a) is, may be deemed, or shall be used, offered or received in any civil, criminal or administrative proceeding in any court, administrative agency, arbitral proceeding or other tribunal against the Released Parties, or each or any of them, as an admission, concession or evidence of, the validity of any Released Claims, the truth of any fact alleged by the Plaintiffs, the deficiency of any defense that has been or could have been asserted in the Action, the violation of any law or statute, the definition or scope of any term or provision, the reasonableness of the settlement amount or the Fee Award, or of any alleged wrongdoing, liability, negligence, or fault of the Released Parties, or any of them. ABP, while continuing to deny all allegations of wrongdoing and disclaiming all liability with respect to all claims, considers it desirable to resolve

the action on the terms stated herein to avoid further expense, inconvenience, and burden, and therefore has determined that this settlement is in ABP's best interests. Any public statements made by Plaintiff or Class Counsel will be consistent with this paragraph and Class Counsel will not issue any press release concerning this Agreement or the settlement contained herein;

(b) is, may be deemed, or shall be used, offered or received against any Released Party, as an admission, concession or evidence of any fault, misrepresentation or omission with respect to any statement or written document approved or made by the Released Parties, or any of them;

(c) is, may be deemed, or shall be used, offered or received against the Released Parties, or each or any of them, as an admission or concession with respect to any liability, negligence, fault or wrongdoing or statutory meaning as against any Released Parties, or supporting the certification of a litigation class, in any civil, criminal or administrative proceeding in any court, administrative agency or other tribunal. However, the settlement, this Agreement, and any acts performed and/or documents executed in furtherance of or pursuant to this Agreement may be used in any proceedings as may be necessary to enforce this Agreement. Further, if this Settlement Agreement is approved by the Court, any Party or any of the Released Parties may file this Agreement and/or the Final Judgment in any action that may be brought against such Party or Parties in order to support a defense or counterclaim based on principles of *res judicata*, collateral estoppel, release, good faith settlement, judgment bar or reduction, or any other theory of claim preclusion or issue preclusion or similar defense or counterclaim;

(d) is, may be deemed, or shall be construed against Plaintiffs, the Settlement Class, the Releasing Parties, or each or any of them, or against the Released Parties, or each or any of them, as an admission or concession that the consideration to be given hereunder represents an

amount equal to, less than or greater than that amount that could have or would have been recovered after trial; and

(e) is, may be deemed, or shall be construed as or received in evidence as an admission or concession against Plaintiffs, the Settlement Class, the Releasing Parties, or each and any of them, or against the Released Parties, or each or any of them, that any of Plaintiff's or the Settlement Class' claims are with or without merit or that damages recoverable in the Action would have exceeded or would have been less than any particular amount.

10.5 The Parties acknowledge that: (a) any certification of the Settlement Class as set forth in this Agreement, including certification of the Settlement Class for settlement purposes in the context of Preliminary Approval, shall not be deemed a concession that certification of a litigation class is appropriate, or that the Settlement Class definition would be appropriate for a litigation class, nor would ABP be precluded from challenging class certification in further proceedings in the Action or in any other action if the Settlement Agreement is not finalized or finally approved; (b) if the Settlement Agreement is not finally approved by the Court for any reason whatsoever, then any certification of the Settlement Class will be void, the Parties and the Action shall be restored to the status quo ante, and no doctrine of waiver, estoppel or preclusion will be asserted in any litigated certification proceedings in the Action or in any other action; and (c) no agreements made by or entered into by ABP in connection with the Settlement Agreement may be used by Plaintiff, any person in the Settlement Class, or any other person to establish any of the elements of class certification in any litigated certification proceedings, whether in the Action or any other judicial proceeding.

10.6 No person or entity shall have any claim against the Class Representative, Class Counsel, the Settlement Administrator or any other agent designated by Class Counsel, or the Released Parties and/or their counsel, arising from distributions made substantially in accordance

with this Agreement. The Parties and their respective counsel, and all other Released Parties shall have no liability whatsoever for the distribution of the Settlement Fund or the determination, administration, calculation, or payment of any claim or nonperformance of the Settlement Administrator, the payment or withholding of taxes (including interest and penalties) owed by the Settlement Fund, or any losses incurred in connection therewith.

10.7 The Plaintiff, Settlement Class Members, and Class Counsel receiving funds pursuant to this Agreement shall be solely responsible for filing all information and other tax returns necessary or making any tax payments related to funds received pursuant to this Settlement Agreement. The Released Parties provide no legal advice and make no representations to the Plaintiff, Class Members, or Class Counsel regarding the legal or tax consequences of this agreement, including any benefit or monies paid and received. The Plaintiff, Class Members, and Class Counsel shall be solely responsible for any tax or legal consequences for any benefit or award paid and/or received pursuant to this Agreement.

10.8 All proceedings with respect to the administration, processing and determination of Claims and the determination of all controversies relating thereto, including disputed questions of law and fact with respect to the validity of Claims, shall be subject to the jurisdiction of the Court.

10.9 The headings used herein are used for the purpose of convenience only and are not meant to have legal effect.

10.10 The waiver by one Party of any breach of this Agreement by any other Party shall not be deemed as a waiver of any other prior or subsequent breaches of this Agreement.

10.11 All of the Exhibits to this Agreement are material and integral parts thereof and are fully incorporated herein by this reference.

10.12 This Agreement, its Exhibits, and the Class Action Settlement Term Sheet set forth the entire agreement and understanding of the Parties with respect to the matters set forth herein;

they supersede all prior negotiations, agreements, arrangements, and undertakings with respect to the matters set forth herein. No representations, warranties or inducements have been made to any Party concerning this Settlement Agreement or its Exhibits or the Class Action Settlement Term Sheet other than the representations, warranties and covenants contained and memorialized in such documents. This Agreement may be amended or modified only by a written instrument signed by or on behalf of all Parties or their respective successors-in-interest.

10.13 Except as otherwise provided herein, each Party shall bear its own costs.

10.14 Plaintiff represents and warrants that he has not assigned any claim or right or interest therein as against the Released Parties to any other Person or Party and that he is fully entitled to release the same.

10.15 Each counsel or other Person executing this Settlement Agreement, any of its Exhibits, or any related settlement documents on behalf of any Party hereto, hereby warrants and represents that such Person has the full authority to do so and has the authority to take appropriate action required or permitted to be taken pursuant to the Agreement to effectuate its terms.

10.16 This Agreement may be executed in one or more counterparts. Signature by digital means, facsimile, or in PDF format will constitute sufficient execution of this Agreement. All executed counterparts and each of them shall be deemed to be one and the same instrument. A complete set of original executed counterparts shall be filed with the Court if the Court so requests.

10.17 This Settlement Agreement shall be binding upon, and inure to the benefit of, the successors and assigns of the Parties hereto and the Released Parties.

10.18 The Court shall retain jurisdiction with respect to implementation and enforcement of the terms of this Agreement, and all Parties hereto submit to the jurisdiction of the Court for purposes of implementing and enforcing the settlement embodied in this Agreement.

10.19 This Settlement Agreement shall be governed by and construed in accordance with the substantive laws of the State of Illinois without giving effect to its conflicts of laws provisions.

10.20 This Agreement is deemed to have been prepared by counsel for all Parties, as a result of arm's-length negotiations among the Parties. Because all Parties have contributed substantially and materially to the preparation of this Agreement, it shall not be construed more strictly against one Party than another.

10.21 Where this Agreement requires notice to the Parties, such notice shall be sent to the undersigned counsel: Philip L. Fraietta, Bursor & Fisher, P.A., 1330 Avenue of the Americas, 32nd Floor, New York, NY 10019; Erin Bolan Hines, Cozen O'Connor P.C., 123 North Wacker Drive, Suite 1800, Chicago, IL 60606.

UNITED STATES DISTRICT COURT FOR THE NORTHERN DISTRICT OF ILLINOIS
Hilliard v. ABP Corporation., Case No. 1:21-cv-00233

IF YOU WORKED FOR ABP CORPORATION (“ABP”), IN THE STATE OF ILLINOIS
BETWEEN MARCH 7, 2017 AND MARCH 23, 2021, AND USED A BIOMETRIC
TIMECLOCK, YOU MAY BE ENTITLED TO A PAYMENT FROM A CLASS ACTION
SETTLEMENT.

A court authorized this notice. You are not being sued. This is not a solicitation from a lawyer.

- A settlement has been reached in a class action lawsuit against ABP Corporation, d/b/a Au Bon Pain (“ABP”). The class action lawsuit involves whether ABP unlawfully collected or captured Biometric Identifiers and/or Biometric Information without first providing notice, obtaining informed written consent or making a biometric data policy publicly available in violation of the Illinois Biometric Privacy Act (“BIPA” or “Privacy Act”), 740 ILCS 14/1 *et seq.*
- You are included if you worked for ABP in Illinois and had your Biometric Identifiers and/or Biometric Information allegedly collected or captured by ABP without first signing a written consent form, for the period March 7, 2017, through March 23, 2021.
- Those included in the Settlement will be eligible to receive a *pro rata* (meaning equal) portion of the Net Settlement Fund, which Class Counsel anticipates to be approximately \$790 per class member.
- Read this notice carefully. Your legal rights are affected whether you act or don’t act.

YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT	
DO NOTHING	You will receive a <i>pro rata</i> share of the Net Settlement benefits – estimated to be approximately \$790 – and will give up your rights to sue the Defendant about the claims in this case.
EXCLUDE YOURSELF	You will receive no benefits, but you will retain any rights you currently have to sue the Defendant about the claims in this case.
OBJECT	Write to the Court explaining why you don’t like the Settlement.
GO TO THE HEARING	Ask to speak in Court about your opinion of the Settlement.

These rights and options—and the deadlines to exercise them—are explained in this Notice.

The Court in charge of this action has preliminarily approved the Settlement as fair, reasonable, and adequate, and must decide whether to give final approval to the Settlement. The relief provided to Class Members will be provided only if the Court gives final approval to the Settlement and, if there are any appeals, after the appeals are resolved in favor of the Settlement. *Please be patient.*

BASIC INFORMATION

1. Why was this Notice issued?

A Court authorized this notice because you have a right to know about a proposed Settlement of this class action lawsuit and about all of your options, before the Court decides whether to give final approval to the Settlement. This Notice explains the lawsuit, the Settlement, and your legal rights.

The case is pending in the United States District Court for the Northern District of Illinois. The case is called *Hilliard v. ABP Corporation.*, Case No. 1:21-cv-00233. The person who sued is called the Plaintiff. The Defendant is ABP.

2. A court has not decided that ABP did anything wrong.

ABP denies any wrongdoing and maintains it has not violated BIPA or any other law. Nonetheless, ABP is willing to enter into this settlement in the interest of resolution.

3. What is a class action?

In a class action, one or more people called class representatives (in this case, Michael Hilliard) sue on behalf of a group or a “class” of people who have similar claims. In a class action, the court resolves the issues for all class members, except for those who exclude themselves from the Class.

4. What is this lawsuit about?

This lawsuit alleges that ABP violated Illinois law by unlawfully collecting or capturing Biometric Identifiers and/or Biometric Information through its fingerprint and/or hand scan clock-in system. As noted above, ABP denies the claims in the lawsuit and contends that it did not do anything wrong and denies that class certification is warranted or appropriate. The Court did not resolve the claims or defenses raised in this action. Nor has the Court determined that ABP did anything wrong or that this matter should be certified as a class action except if the Settlement is fully approved by the Court. Rather, the Parties have, without admitting liability, agreed to settle the lawsuit to avoid the uncertainties and expenses associated with ongoing litigation.

5. Why is there a Settlement?

The Court has not decided whether the Plaintiff or the Defendant should win this case. Instead, both sides agreed to a Settlement. That way, they avoid the uncertainties and expenses associated with ongoing litigation, and Class Members will get compensation sooner rather than, if at all, after the completion of a trial.

6. How do I know if I am in the Settlement Class?

The Court decided that everyone who fits the following description is a member of the **Settlement Class**:

All individuals who worked for Defendant in the State of Illinois, including temporary workers or contractors engaged by Defendant, who allegedly had their Biometric Identifiers and/or Biometric Information collected, captured, received, or otherwise obtained or disclosed by Defendant or its agents, without first signing a written consent form, for the period March 7, 2017, through March 23, 2021.

THE SETTLEMENT BENEFITS

7. What does the Settlement provide?

Monetary Relief: A Settlement Fund has been created totaling \$806,250. Class Member payments, and the cost to administer the Settlement, the cost to inform people about the Settlement, attorneys' fees (inclusive of litigation costs), and an award to the Class Representative will also come out of this fund (see Question 12).

Prospective Relief: ABP has represented that it is no longer using "biometric time clocks" in Illinois and will agree to provide all notices and obtain all consents required by Illinois law should ABP reinstate the use of "biometric time clocks."

A detailed description of the settlement benefits can be found in the Settlement Agreement, a copy of which is accessible on the Settlement Website by visiting [insert hyperlink and spell out name url of the website].

8. How much will my payment be?

The amount of this payment will depend on how many requests for exclusion are submitted. Each Class Member will receive a proportionate share of the Settlement Fund, which Class Counsel anticipates will be approximately \$790. You can contact Class Counsel at (646) 837-7150 to inquire as to the number of requests for exclusion that have been received to date.

9. When will I get my payment?

The hearing to consider the fairness of the settlement is scheduled for [Final Approval Hearing Date]. If the Court approves the settlement, eligible Class Members will receive their payment 28 days after the Settlement has been finally approved and/or after any appeals process is complete. The payment will be made in the form of a check, and all checks will expire and become void 180 days after they are issued.

HOW TO GET BENEFITS

10. How do I get a payment?

If you are a Class Member who received a Notice via postcard and you want to get a payment, do nothing and you will automatically receive a *pro rata* share of the Settlement Fund, which Class Counsel anticipates will be approximately \$790 sent to the postal address identified in the Notice you received. If you have changed addresses or are planning to change addresses prior to [insert date 28 days after final approval hearing date], please visit [insert hyperlink] to complete and submit a change of address form on the Settlement Website.

If you are a Settlement Class Member who did not receive a Notice via postcard and you want to get a payment, you **must** complete and submit a change of address form. You may submit a change of address form either electronically on the Settlement Website by clicking [here](#) [insert hyperlink and spell out name url of the website], or by printing and mailing in a paper change of address form, copies of which are available for download at [insert hyperlink and spell out name url of the website]. Change of address forms must be submitted online by 11:59 p.m. EST on [date] or postmarked and mailed by [date].

REMAINING IN THE SETTLEMENT

11. What am I giving up if I stay in the Class?

If the Settlement becomes final, you will give up your right to sue the Defendant and other Released Parties for the claims being resolved by this Settlement. The specific claims you are giving up against the Defendant are described in the Settlement Agreement. You will be “releasing” the Defendant and certain of its affiliates, employees and representatives as described in Section 1.28 of the Settlement Agreement. Unless you exclude yourself (*see* Question 13), you are “releasing” the claims. The Settlement Agreement is available through the “court documents” link on the website.

The Settlement Agreement describes the released claims with specific descriptions, so read it carefully. If you have any questions you can talk to the lawyers listed in Question 12 for free or you can, of course, talk to your own lawyer if you have questions about what this means.

THE LAWYERS REPRESENTING YOU

12. Do I have a lawyer in the case?

The Court has appointed Philip L. Fraietta and Joseph I. Marchese of Burstor & Fisher, P.A. to represent the class. They are called “Class Counsel.” They believe, after conducting an extensive investigation, that the Settlement Agreement is fair, reasonable, and in the best interests of the Settlement Class. You do not need to pay

these lawyers. Their fees will be taken from the Settlement Funds. If you want to be represented by your own lawyer in this case, you may hire one at your expense.

13. How will the lawyers be paid?

The Defendant and Class Representative have agreed that Class Counsel attorneys' fees and costs may be paid out of the Settlement Fund in an amount to be determined by the Court. The fee petition will seek no more than 35% of the Settlement Fund, which includes reimbursement for their out-of-pocket costs and expenses; the Court may award less than this amount. Under the Settlement Agreement, any amount awarded to Class Counsel will be paid out of the Settlement Fund.

Subject to approval by the Court, Defendant has agreed that the Class Representative may be paid a service award of \$5,000 from the Settlement Fund for his services in helping to bring and resolve this case.

EXCLUDING YOURSELF FROM THE SETTLEMENT

14. How do I get out of the Settlement?

To exclude yourself from the Settlement, you must submit a request for exclusion by 11:59 p.m. EST on [objection/exclusion deadline]. Requests for exclusion may be submitted either on the Settlement Website (via the online form accessible at [insert hyperlink and spell out name url of the website]) or by mailing or otherwise deliver a letter (or request for exclusion) stating that you want to be excluded from the *Hilliard v. ABP Corporation*, Case No. 1:21-cv-00233 settlement. Your letter or request for exclusion must also include your name, your address, an explanation of the basis upon which you claim to be a Class Member, your signature, the name and/or number of this case (noted above in italics in this paragraph), and a statement that you wish to be excluded. If you choose to submit a request for exclusion by mail, you must mail or deliver your exclusion request, postmarked no later than [objection/exclusion deadline], to the following address:

ABP BIPA Settlement
0000 Street
City, ST 00000

15. If I don't exclude myself, can I sue the Defendant for the same thing later?

No. Unless you exclude yourself, you give up any right to sue the Defendant for the claims being resolved by this Settlement.

16. If I exclude myself, can I get anything from this Settlement?

No. If you exclude yourself, you will not receive a *pro rata* share of the Settlement Fund.

OBJECTING TO THE SETTLEMENT**17. How do I object to the Settlement?**

If you are a Class Member, you can object to the Settlement if you don't like any part of it. You can give reasons why you think the Court should not approve it. The Court will consider your views. To object, you must file with the Court a letter or brief stating that you object to the Settlement in *Hilliard v. ABP Corporation.*, Case No. 1:21-cv-00233, and identify all your reasons for your objections (including citations and supporting evidence) and attach any materials you rely on for your objections. Your letter or brief must also include your name, your address, the basis upon which you claim to be a Class Member, the name and contact information of any and all attorneys representing, advising, or in any way assisting you in connection with your objection, and your signature. If you, or an attorney assisting you with your objection, have ever objected to any class action settlement where you or the objecting attorney has asked for or received payment in exchange for dismissal of the objection (or any related appeal) without modification to the settlement, you must include a statement in your objection identifying each such case by full case caption. You must also mail or deliver a copy of your letter or brief to Class Counsel and Defendant's Counsel listed below.

Class Counsel will file with the Court and post on this website its request for attorneys' fees by [two weeks prior to objection deadline].

If you want to appear and speak at the Final Approval Hearing to object to the Settlement, with or without a lawyer (explained below in answer to Question Number 21), you must say so in your letter or brief. File the objection with the Court (or mail the objection to the Court) and mail a copy of the objection to Class Counsel and Defendant's Counsel, at the addresses below, postmarked no later than [objection deadline].

Court	Class Counsel	Defendant's Counsel
The Honorable John J. Tharp Jr. Everett McKinley Dirksen United States Courthouse 219 South Dearborn Street, Courtroom 2303 Chicago, IL 60604	Philip L. Fraietta Bursor & Fisher P.A. 1330 Avenue of the Americas, 32nd Floor New York, NY 10019	Erin Bolan Hines Cozen O'Connor P.C. 123 North Wacker Drive Suite 1800, Chicago, IL 60606

18. What's the difference between objecting and excluding myself from the Settlement?

Objecting simply means telling the Court that you don't like something about the Settlement. You can object only if you stay in the Class. Excluding yourself from the Class is telling the Court that you don't want to be part of the Class. If you exclude yourself, you have no basis to object because the case no longer affects you.

THE COURT'S FINAL APPROVAL HEARING

19. When and where will the Court decide whether to approve the Settlement?

The Court will hold the Final Approval Hearing at [time] on [date]. Participants can participate by dialing in to [INSERT PHONE NUMBER AND ACCESS CODE]. The purpose of the hearing will be for the Court to determine whether to approve the Settlement as fair, reasonable, adequate, and in the best interests of the Class; to consider the Class Counsel's request for attorneys' fees and expenses; and to consider the request for an incentive award to the Class Representative. At that hearing, the Court will be available to hear any objections and arguments concerning the fairness of the Settlement.

The hearing may be postponed to a different date or time without notice, so it is a good idea to check for updates by visiting the Settlement Website at www.ABPBIPAsettlement.com or calling (800) 000-0000. If, however, you timely objected to the Settlement and advised the Court that you intend to appear and speak at the Final Approval Hearing, you will receive notice of any change in the date of the Final Approval Hearing.

20. Do I have to participate in the hearing?

No. Class Counsel will answer any questions the Court may have. But you are welcome to participate at your own expense. If you send an objection or comment, you don't have to come to Court to talk about it. As long as you filed and mailed your written objection on time, the Court will consider it. You may also pay another lawyer to attend, but it's not required.

21. May I speak at the hearing?

Yes. You may ask the Court for permission to speak at the Fairness Hearing. To do so, you must include in your letter or brief objecting to the settlement a statement saying that it is your "Notice of Intent to Appear in *Hilliard v. ABP Corporation.*, Case No. 1:21-cv-00233." It must include your name, address, telephone number and signature as well as the name and address of your lawyer, if one is appearing for you. Your objection and notice of intent to appear must be filed with the Court, postmarked no later than [objection deadline], and be sent to the addresses listed in Question 16.

GETTING MORE INFORMATION

22. Where do I get more information?

You may also write with questions to [ABP BIPA Settlement, P.O. Box 0000, City, ST 00000](#). FIRM RESUME

With offices in Florida, New York, and California, BURSOR & FISHER lawyers have represented both plaintiffs and defendants in state and federal courts throughout the country.

The lawyers at our firm have an active civil trial practice, having won multi-million-dollar verdicts or recoveries in six of six class action jury trials since 2008. Our most recent class action trial victory came in May 2019 in *Perez v. Rash Curtis & Associates*, in which Mr. Bursor served as lead trial counsel and won a \$267 million jury verdict against a debt collector found to have violated the Telephone Consumer Protection Act. During the pendency of the defendant's appeal, the case settled for \$75.6 million, the largest settlement in the history of the Telephone Consumer Protection Act.

In August 2013 in *Ayyad v. Sprint Spectrum L.P.*, in which Mr. Bursor served as lead trial counsel, we won a jury verdict defeating Sprint's \$1.06 billion counterclaim and securing the class's recovery of more than \$275 million in cash and debt relief.

In *Thomas v. Global Vision Products, Inc. (II)*, we obtained a \$50 million jury verdict in favor of a certified class of 150,000 purchasers of the Avacor Hair Regrowth System. The legal trade publication VerdictSearch reported that this was the second largest jury verdict in California in 2009, and the largest in any class action.

The lawyers at our firm have an active class action practice and have won numerous appointments as class counsel to represent millions of class members, including customers of Honda, Verizon Wireless, AT&T Wireless, Sprint, Haier America, and Michaels Stores as well as purchasers of Avacor™, Hydroxycut, and Sensa™ products. SCOTT A. BURSOR

Mr. Bursor has an active civil trial practice, having won multi-million verdicts or recoveries in six of six civil jury trials since 2008. Mr. Bursor's most recent victory came in May 2019 in *Perez v. Rash Curtis & Associates*, in which Mr. Bursor served as lead trial counsel and won a \$267 million jury verdict against a debt collector for violations of the Telephone Consumer Protection Act (TCPA).

In *Ayyad v. Sprint Spectrum L.P.* (2013), where Mr. Bursor served as lead trial counsel, the jury returned a verdict defeating Sprint's \$1.06 billion counterclaim and securing the class's recovery of more than \$275 million in cash and debt relief.

In *Thomas v. Global Vision Products, Inc.* (2009), the jury returned a \$50 million verdict in favor of the plaintiff and class represented by Mr. Bursor. The legal trade publication VerdictSearch reported that this was the second largest jury verdict in California in 2009.

Class actions are rarely tried to verdict. Other than Mr. Bursor and his partner Mr. Fisher, we know of no lawyer that has tried more than one class action to a jury. Mr. Bursor's perfect record of six wins in six class action jury trials, with recoveries ranging from \$21 million to \$299 million, is unmatched by any other lawyer. Each of these victories was hard-fought against top trial lawyers from the biggest law firms in the United States.

Mr. Bursor graduated from the University of Texas Law School in 1996. He served as Articles Editor of the Texas Law Review, and was a member of the Board of Advocates and Order of the Coif. Prior to starting his own practice, Mr. Bursor was a litigation associate at a large New York based law firm where he represented telecommunications, pharmaceutical, and technology companies in commercial litigation.

Mr. Bursor is a member of the state bars of New York, Florida, and California, as well as the bars of the United States Court of Appeals for the Second, Third, Fourth, Sixth, Ninth and Eleventh Circuits, and the bars of the United States District Courts for the Southern and Eastern Districts of New York, the Northern, Central, Southern and Eastern Districts of California, the Southern and Middle Districts of Florida, and the Eastern District of Michigan.

Representative Cases

Mr. Bursor was appointed lead or co-lead class counsel to the largest, 2nd largest, and 3rd largest classes ever certified. Mr. Bursor has represented classes including more than 160 million class members, roughly 1 of every 2 Americans. Listed below are recent cases that are representative of Mr. Bursor's practice:

Mr. Bursor negotiated and obtained court-approval for two landmark settlements in *Nguyen v. Verizon Wireless* and *Zill v. Sprint Spectrum* (the largest and 2nd largest classes ever certified). These settlements required Verizon and Sprint to open their wireless networks to

third-party devices and applications. These settlements are believed to be the most significant legal development affecting the telecommunications industry since 1968, when the FCC's Carterfone decision similarly opened up AT&T's wireline telephone network.

Mr. Bursor was the lead trial lawyer in *Ayyad v. Sprint Spectrum, L.P.* representing a class of approximately 2 million California consumers who were charged an early termination fee under a Sprint cellphone contract, asserting claims that such fees were unlawful liquidated damages under the California Civil Code, as well as other statutory and common law claims. After a five-week combined bench-and-jury trial, the jury returned a verdict in June 2008 and the Court issued a Statement of Decision in December 2008 awarding the plaintiffs \$299 million in cash and debt cancellation. Mr. Bursor served as lead trial counsel for this class again in 2013 during a month-long jury trial in which Sprint asserted a \$1.06 billion counterclaim against the class. Mr. Bursor secured a verdict awarding Sprint only \$18.4 million, the exact amount calculated by the class's damages expert. This award was less than 2% of the damages Sprint sought, less than 6% of the amount of the illegal termination fees Sprint charged to class members. In December 2016, after more than 13 years of litigation, the case was settled for \$304 million, including \$79 million in cash payments plus \$225 million in debt cancellation.

Mr. Bursor was the lead trial lawyer in *White v. Cellco Partnership d/b/a Verizon Wireless* representing a class of approximately 1.4 million California consumers who were charged an early termination fee under a Verizon cellphone contract, asserting claims that such fees were unlawful liquidated damages under the California Civil Code, as well as other statutory and common law claims. In July 2008, after Mr. Bursor presented plaintiffs' case-in-chief, rested, then cross-examined Verizon's principal trial witness, Verizon agreed to settle the case for a \$21 million cash payment and an injunction restricting Verizon's ability to impose early termination fees in future subscriber agreements.

Mr. Bursor was the lead trial lawyer in *Thomas v. Global Visions Products Inc.* Mr. Bursor represented a class of approximately 150,000 California consumers who had purchased the Avacor® hair regrowth system. In January 2008, after a four-week combined bench-and-jury trial. Mr. Bursor obtained a \$37 million verdict for the class, which the Court later increased to \$40 million.

Mr. Bursor was appointed class counsel and was elected chair of the Official Creditors' Committee in *In re Nutraquest Inc.*, a Chapter 11 bankruptcy case before Chief Judge Garrett E. Brown, Jr. (D.N.J.) involving 390 ephedra-related personal injury and/or wrongful death claims, two consumer class actions, four enforcement actions by governmental agencies, and multiple adversary proceedings related to the Chapter 11 case. Working closely with counsel for all parties and with two mediators, Judge Nicholas Politan (Ret.) and Judge Marina Corodemus (Ret.), the committee chaired by Mr. Bursor was able to settle or otherwise resolve every claim and reach a fully consensual Chapter 11 plan of reorganization, which Chief Judge Brown approved in late 2006. This settlement included a \$12.8 million recovery to a nationwide class of consumers who alleged they were defrauded in connection with the purchase of Xenadrine® dietary supplement products.

Mr. Bursor was the lead trial lawyer in *In re: Pacific Bell Late Fee Litigation*. After filing the first class action challenging Pac Bell's late fees in April 2010, winning a contested

motion to certify a statewide California class in January 2012, and defeating Pac Bell's motion for summary judgment in February 2013, Mr. Bursor obtained final approval of the \$38 million class settlement. The settlement, which Mr. Bursor negotiated the night before opening statements were scheduled to commence, included a \$20 million cash payment to provide refunds to California customers who paid late fees on their Pac Bell wireline telephone accounts, and an injunction that reduced other late fee charges by \$18.6 million.

L. TIMOTHY FISHER

L. Timothy Fisher has an active practice in consumer class actions and complex business litigation and has also successfully handled a large number of civil appeals.

Mr. Fisher has been actively involved in numerous cases that resulted in multi-million dollar recoveries for consumers and investors. Mr. Fisher has handled cases involving a wide range of issues including nutritional labeling, health care, telecommunications, corporate governance, unfair business practices and consumer fraud. With his partner Scott A. Bursor, Mr. Fisher has tried five class action jury trials, all of which produced successful results. In *Thomas v. Global Vision Products*, Mr. Fisher obtained a jury award of \$50,024,611 — the largest class action award in California in 2009 and the second-largest jury award of any kind. In 2019, Mr. Fisher served as trial counsel with Mr. Bursor in *Perez. v. Rash Curtis & Associates*, where the jury returned a verdict for \$267 million in statutory damages under the Telephone Consumer Protection Act.

Mr. Fisher was admitted to the State Bar of California in 1997. He is also a member of the bars of the United States Court of Appeals for the Ninth Circuit, the United States District Courts for the Northern, Central, Southern and Eastern Districts of California, the Northern District of Illinois, the Eastern District of Michigan, and the Eastern District of Missouri. Mr. Fisher taught appellate advocacy at John F. Kennedy University School of Law in 2003 and 2004. In 2010, he contributed jury instructions, a verdict form and comments to the consumer protection chapter of Justice Elizabeth A. Baron's *California Civil Jury Instruction Companion Handbook* (West 2010). In January 2014, Chief Judge Claudia Wilken of the United States District Court for the Northern District of California appointed Mr. Fisher to a four-year term as a member of the Court's Standing Committee on Professional Conduct.

Mr. Fisher received his Juris Doctor from Boalt Hall at the University of California at Berkeley in 1997. While in law school, he was an active member of the Moot Court Board and participated in moot court competitions throughout the United States. In 1994, Mr. Fisher received an award for Best Oral Argument in the first-year moot court competition.

In 1992, Mr. Fisher graduated with highest honors from the University of California at Berkeley and received a degree in political science. Prior to graduation, he authored an honors thesis for Professor Bruce Cain entitled "The Role of Minorities on the Los Angeles City Council." He is also a member of Phi Beta Kappa.

Representative Cases

Thomas v. Global Vision Products, Inc. (Alameda County Superior Court). Mr. Fisher litigated claims against Global Vision Products, Inc. and other individuals in connection with the sale and marketing of a purported hair loss remedy known as Avacor. The case lasted more than seven years and involved two trials. The first trial resulted in a verdict for plaintiff and the class in the amount of \$40,000,000. The second trial resulted in a jury verdict of \$50,024,611, which led to a \$30 million settlement for the class.

In re Cellphone Termination Fee Cases - Handset Locking Actions (Alameda County Superior Court). Mr. Fisher actively worked on five coordinated cases challenging the secret locking of cell phone handsets by major wireless carriers to prevent consumers from activating them on competitive carriers' systems. Settlements have been approved in all five cases on terms that require the cell phone carriers to disclose their handset locks to consumers and to provide unlocking codes nationwide on reasonable terms and conditions. The settlements fundamentally changed the landscape for cell phone consumers regarding the locking and unlocking of cell phone handsets.

In re Cellphone Termination Fee Cases - Early Termination Fee Cases (Alameda County Superior Court and Federal Communications Commission). In separate cases that are a part of the same coordinated litigation as the Handset Locking Actions, Mr. Fisher actively worked on claims challenging the validity under California law of early termination fees imposed by national cell phone carriers. In one of those cases, against Verizon Wireless, a nationwide settlement was reached after three weeks of trial in the amount of \$21 million. In a second case, which was tried to verdict, the Court held after trial that the \$73 million of flat early termination fees that Sprint had collected from California consumers over an eight-year period were void and unenforceable.

FOR THE NORTHERN DISTRICT OF ILLINOIS
EASTERN DIVISION**

MICHAEL HILLIARD, individually and on
behalf of all others similarly situated,

Plaintiff,

v.

ABP CORPORATION,

Defendant.

Case No. 1:21-cv-0233
Honorable John J. Tharp Jr.

**[PROPOSED] ORDER GRANTING FINAL APPROVAL
OF CLASS ACTION SETTLEMENT AND ORDER OF
DISMISSAL WITH PREJUDICE**

On March 26, 2024, the Court entered an order granting preliminary approval (the “Preliminary Approval Order”) to the Class Action Settlement Agreement (“Settlement Agreement”) between Plaintiff Michael Hilliard, individually and on behalf of the Settlement Class (as defined below) and Defendant ABP Corporation (“ABP” or “Defendant”).¹

Commencing on March 26, 2024, pursuant to the notice requirements in the Settlement Agreement and the Preliminary Approval Order, Simpluris, Inc. (the “Settlement Administrator”), provided Notice to the Settlement Class in compliance with Paragraph 4 of the Settlement Agreement, due process, and Rule 23 of the Federal Rules of Civil Procedure. The notice:

- (a) fully and accurately informed Settlement Class Members about the Action and the existence and terms of the Settlement Agreement;
- (b) advised Settlement Class Members of their right to request exclusion from the

¹ Capitalized terms used in this Final Approval Order shall have the same meaning as defined in the Settlement Agreement unless otherwise expressly stated.

Settlement Agreement and provided sufficient information so that Settlement Class Members were able to decide whether to accept the benefits offered, opt-out and pursue their own remedies, or object to the proposed settlement;

(c) provided procedures for Settlement Class Members to file written objections to the proposed Settlement Agreement, and to appear at the Final Approval Hearing, and to state objections to the proposed Settlement Agreement; and

(d) provided the time, date, and place of the Final Approval Hearing.

On July 10, 2024, the Court held a Final Approval Hearing to determine whether the proposed Settlement Agreement is fair, reasonable, and adequate and whether judgment should be entered dismissing the Action with prejudice. The Court reviewed the Motion for Final Approval (the “Motion”) and all supporting materials, including but not limited to the Settlement Agreement, and considered the arguments of counsel. Based on this review and the findings below, the Court finds good cause to grant the Motion.

IT IS HEREBY ORDERED:

1. This Court has jurisdiction over the subject matter of this Action, all claims raised therein, and all Parties thereto, including the Settlement Class Members.

2. The Settlement Agreement is fair, reasonable, adequate and in the best interest of Settlement Class Members and satisfies the requirements of Federal Rule of Civil Procedure 23. The Settlement Agreement was negotiated at arm’s-length, in good faith and without collusion, by capable and experienced counsel, with full knowledge of the facts, the law, and the risks inherent in litigating the Action, and with the active involvement of the Parties and with the benefit of a neutral mediator. Moreover, the Settlement Agreement confers substantial benefits on the Settlement Class Members, is not contrary to the public interest, and will provide the

Parties with repose from the Action. The Parties faced significant risks, expense, and/or uncertainty from continued litigation of this matter, which further supports the Court's conclusion that the Settlement Agreement is fair, reasonable, adequate, and in the best interest of Settlement Class Members.

3. The Court grants final approval of the Settlement Agreement in full, including but not limited to the releases therein and the procedures for distribution of the Settlement Fund. All Settlement Class Members who have not excluded themselves from the Settlement Class are bound by this Final Approval Order.

4. The Parties shall carry out their respective obligations under the Settlement Agreement in accordance with its terms. The relief provided for in the Settlement Agreement shall be made available to the various Settlement Class Members automatically, pursuant to the terms and conditions in the Settlement Agreement. The Settlement Agreement is incorporated herein in its entirety as if fully set forth herein and shall have the same force and effect of an order of this Court.

OBJECTIONS AND REQUESTS FOR EXCLUSION

5. No objections to the Settlement were submitted by Settlement Class Members. All persons who did not object to the Settlement in the manner set forth in the Settlement Agreement are deemed to have waived any objections, including but not limited to by appeal, collateral attack, or otherwise.

6. Similarly, no Settlement Class Members requested to be excluded from the Settlement Agreement.

CERTIFICATION OF THE SETTLEMENT CLASS

7. Solely for purposes of the Settlement Agreement and this Final Approval Order

and the Final Judgment, the Court hereby certifies the following Settlement Class:

[A]ll individuals who worked or are currently working for Defendant in the State of Illinois, including former temporary workers or contractors engaged by ABP, who allegedly had their Biometric Identifiers and/or Biometric Information collected, captured, received, or otherwise obtained or disclosed by Defendant or its agent(s) without first signing a written consent form between March 7, 2017 to March 23, 2021.

8. The Court incorporates its preliminary conclusions in the Preliminary Approval Order regarding the satisfaction of Federal Rules of Civil Procedure 23(a) and 23(b). Because the Settlement Class is certified solely for purposes of settlement, the Court need not address any issues of manageability for litigation purposes.

9. The Court grants final approval to the appointment of Plaintiff Michael Hilliard as the Class Representative, and concludes that he has fairly and adequately represented the Settlement Class and shall continue to do so.

10. The Court grants final approval to the appointment of the Philip L. Fraietta and Joseph I. Marchese of Bursor & Fisher, P.A. as Class Counsel. Class Counsel have fairly and adequately represented the Settlement Class and shall continue to do so.

NOTICE TO THE CLASS

11. The Court finds that the Notice, set forth in the Settlement Agreement and effectuated pursuant to the Preliminary Approval Order: (i) was the best notice practicable under the circumstances; (ii) was reasonably calculated to provide, and did provide due and sufficient notice to the Settlement Class regarding the existence and nature of the Action, certification of the Settlement Class for settlement purpose only, the existence and terms of the Settlement Agreement, and the rights of Settlement Class Members to exclude themselves from the Settlement Agreement, and to object and appear at the Final Approval Hearing, and to receive benefits under the Settlement Agreement; and (iii) satisfied the requirements of the Federal Rules

of Civil Procedure, the United States Constitution, and all other applicable law.

INJUNCTIVE RELIEF

12. For the purposes of injunctive relief, the Court incorporates and adopts the meanings set forth in the Settlement Agreement. The terms of this section reflect Paragraph 2.2(a) of the Settlement Agreement and shall not be construed to impose any obligations or requirements in addition to those set forth in the Settlement Agreement. Specifically, Defendant represents that it has provided and will continue to provide all notices and consents as required by BIPA. Defendant will continue to comply in good faith with BIPA as long as it uses Biometric Data in Illinois.

ATTORNEYS' FEES AND COSTS, SERVICE AWARD

13. The Court awards Class Counsel \$274,750.00 in attorneys' fees, which is inclusive of reimbursement of costs and expenses. The Court finds these amounts to be fair and reasonable. Payment should be made from the Settlement Fund pursuant to the procedures in the Settlement Agreement.

14. The Court awards \$5,000.00 to Mr. Hilliard as an award for his service as a class representative. The Court finds this amount justified by his service to the Settlement Class. Payment shall be made from the Settlement Fund pursuant to the procedures in the Settlement Agreement.

RELEASE

15. Each Settlement Class Member, including Plaintiff, is deemed to have released, acquitted, relinquished, and completely discharged the Released Parties from any and all Released Claims. The full terms of the release described in this paragraph are set forth in Paragraphs 3.1-3.2 of the Settlement Agreement and are specifically approved and incorporated

herein by this reference (the “Releases”).

16. The Settlement Agreement and this Final Approval Order and Judgment apply to all claims or causes of action settled under the Settlement Agreement, and binds Plaintiff and all Settlement Class Members who did not properly request exclusion. The Settlement Agreement, this Final Approval Order, and the Final Judgment shall have maximum *res judicata*, collateral estoppel, and all other preclusive effect in any and all causes of action, claims for relief, suits, demands, petitions, or any other challenges or allegations that arise out of or relate to the subject matter of the Action.

OTHER PROVISIONS

17. The Settlement Fund, consisting of Seven Hundred Eighty-Five Thousand Dollars and No Cents (\$785,000.00), shall be used to pay all settlement costs, including Class Counsel’s Fee Award, settlement administration expenses, payments to the Settlement Class, the Class Representative Service Award, and any other payments or other monetary obligations as contemplated by the Settlement Agreement.

18. The Settlement Agreement and this Final Approval Order, the Final Judgment, and all documents, supporting materials, representations, statements and proceedings relating to the Settlement, are not, and shall not be construed as, used as, or deemed evidence of, any admission by or against Defendant of liability, fault, wrongdoing, or violation of any law, or of the validity or certifiability for litigation purpose of the Settlement Class or any claims that were or could have been asserted in the Action.

19. The Settlement Agreement and this Final Approval Order, the Final Judgment, and all documents, supporting materials, representations, statements and proceedings relating to the Settlement shall not be offered or received into evidence, and are not admissible into

evidence, in any action or proceeding, except that the Settlement Agreement, this Final Approval Order, and the Final Judgment may be filed in any action by Defendant or the Settlement Class Members seeking to enforce the Settlement Agreement or the Final Approval Order and Final Judgment.

20. Consistent with Paragraph 10.5 of the Settlement Agreement, if the Settlement Agreement is terminated or fails to become effective, the Parties shall be restored to their respective positions in the Action as of the date of the signing of the Settlement Agreement. In such event, any Final Judgment or other order entered by the Court in accordance with the terms of the Agreement, including, but not limited to, class certification, shall be treated as vacated, *nunc pro tunc*, and the Parties shall be returned to the *status quo ante* with respect to the Action as if this Settlement Agreement had never been entered into.

21. Without affecting the finality of this Final Approval Order, the Court will retain jurisdiction over this Action and the Parties with respect to the interpretation, implementation, and enforcement of the Settlement Agreement for all purposes.

22. Through the forthcoming Final Judgment, the Court shall dismiss the Action in its entirety with prejudice, and without fees or costs except as otherwise provided for therein.

IT IS SO ORDERED, this _____ day of _____, 2024.

2. I am a member in good standing of the bar of this Court and a member of the bar in good standing of the Illinois, New York, New Jersey, Michigan, and California Bars.

3. Attached hereto as **Exhibit A** is a true and correct copy of the Parties' Class Action Settlement Agreement, and the exhibits attached thereto.

4. On December 3, 2020, Plaintiff filed two-count putative Class Action Complaint in the Circuit Court of Cook County, Illinois, Sixteenth Judicial Circuit against Panera, LLC. The material allegations of the Complaint were that Panera, LLC collected or captured fingerprints or hand scans of its current and former Illinois employees and temporary workers without first

providing notice, obtaining informed written consent, or making a biometric data retention and destruction policy publicly available. The Complaint alleges these individuals were required to “clock in” with their alleged fingerprints and/or hand scans, in violation of the Illinois Biometric Information Privacy Act (“BIPA” or “Privacy Act”), 740 ILCS 14/1 *et seq.*

5. On January 14, 2021, Panera, LLC removed the Action to the United States District Court for the Central District of Illinois (the “District Court”), where it was assigned Case No. 1:21-cv-00233. *See* ECF No. 1.

6. On March 8, 2021, Panera, LLC filed a Motion to Dismiss Plaintiff’s Class Action Complaint citing the pending decisions by: (i) the Seventh Circuit Court of Appeals in *Cothron v. White Castle System, Inc.*, No 20-3202; (ii) the Illinois Appellate Court for the First Judicial District in *Tims v. Black Horse Carriers, Inc.*, Case No. 1-20-0562; (iii) the Illinois Appellate Court for the Third Judicial District in *Marion v. Ring Container Techs., LLC*, No. 3-20-0184; and (iv) the Illinois Supreme Court in *In re: McDonald v. Symphony Bronzeville Park, LLC*, No. 126511 (Ill.). *See* ECF Nos. 10–11.

7. On March 29, 2021, Plaintiff filed a First Amended Complaint seeking to terminate Panera, LLC as a party and substitute in ABP as the defendant. *See* ECF No. 14. The next day, March 30, 2021, the Court dismissed Panera, LLC from the case without prejudice and denied Panera, LLC’s Motion to Dismiss as moot. *See* ECF No. 15. On June 11, 2021, ABP filed a Motion to Dismiss. *See* ECF Nos. 21–22. Plaintiff opposed ABP’s motion on July 12, 2021. *See* ECF No. 26.

8. On August 2, 2021, ABP filed an Unopposed Motion to Stay All Proceedings pending the decisions in the same four appeals cases cited by Panera, LLC. *See* ECF No. 27. The Court granted the Motion to Stay in part and ordered the Parties to file a joint status report within

fourteen (14) days of a ruling in any of the cases identified in the Motion to Stay. *See* ECF No. 28. On September 8, 2021, the Court denied ABP's Motion to dismiss without prejudice. *See* ECF No. 29.

9. On September 17, 2021, the First District Illinois Appellate Court issued a decision in *Tims v. Black Horse Carriers, Inc.*, Case No. 1-20-0562, finding that claims brought pursuant to BIPA Sections 15(c) and (d) are governed by a one-year statute of limitations. Conversely, the First District also held that claims brought pursuant to BIPA Sections 15(a), 15(b), and 15(e) are not governed by Section 13-201's one-year limitations period. *See* 2021 Ill App (1st) 200563. On October 1, 2021, the Parties filed a Joint Status Report updating the Court of the same and clarifying the *Tims* decision's inability to govern the Plaintiff's claims under BIPA Sections 15(a) and (b). *See* ECF No. 30.

10. On December 20, 2021, the Seventh Circuit issued its decision in *Cothron v. White Castle*, but certified to the Illinois Supreme Court the question of whether BIPA Section 15(b) and 15(d) claims accrue each time a private entity transmits the scan to a third party or only upon the first scan and transmission. *See* 20 F.4th 1156 (7th Cir. 2021). On December 23, 2021, the Illinois Supreme Court accepted the certified question. *See id.* On February 3, 2022, the Illinois Supreme Court found in *McDonald v. Bronzeville Park, LLC*, that the Workers' Compensation Act does not bar BIPA claims. *See* 2022 IL 126511. On February 9, 2022, the Parties filed a Joint Status Report informing the Court of the same. *See* ECF No. 31.

11. On January 27, 2023, the Parties filed a Joint Status Report pursuant to the Court's January 4, 2023 Order. *See* ECF Nos. 33–34. The Joint Status Report updated the Court that the question of when Plaintiff's BIPA claims accrued remained an open question of law that the Illinois Supreme Court would resolve in *Tims v. Black Horse Carriers, Inc.*, Case No. 127801

(Ill.). *See* ECF No. 34 at 3.

12. On February 2, 2023, the Illinois Supreme Court filed an opinion holding that a five-year statute of limitations applied to Plaintiff's BIPA claims. *See Tims*, Case No. 127801 (Ill.). And on February 17, 2023, the Illinois Supreme Court filed an opinion holding that a separate claim accrues under BIPA each time a private entity scans or transmits an individual's biometric identifier or information in violation of BIPA Section 15(b) or 15(d). *See Cothron v. White Castle*, 20 F.4th 1156 (7th Cir. 2021).

13. Pursuant to the Court's January 30, 2023 Order, the Parties filed a Joint Status Report on April 28, 2023 updating the Court of the Illinois Supreme Court's decisions. *See* ECF Nos. 35, 38. The Court lifted the stay on the case on May 1, 2023. *See* ECF No. 39. On May 15, 2023, the Parties proposed a case management schedule, which the Court adopted on May 18. *See* ECF Nos. 42–43. The case then proceeded into fact discovery.

14. Throughout the pendency of the case, the Parties discussed the prospect of an early resolution of this matter and, as part of their obligations under Fed. R. Civ. P. 26, engaged in direct settlement discussions, which included the informal exchange of relevant information surrounding the alleged claims. Those discussions eventually led to an agreement to participate in a mediation with The Honorable James F. Holderman (Ret.), formerly the Chief Judge of the Northern District of Illinois, and now with JAMS Chicago. On October 11, 2023, the Parties filed a Joint Motion to Stay Proceedings pending mediation. *See* ECF No. 47. On October 12, 2023, the District Court entered an order granting the Parties' Joint Motion to Stay and set a status report to be due within five business days of the mediation. *See* ECF No. 48.

15. Given that the information exchanged during the parties' private settlement negotiations would have been, in large part, the same information produced in formal discovery

related to issues of class certification and summary judgment, the Parties had sufficient information to assess the strengths and weaknesses of the claims and defenses.

16. On January 25, 2024, the Parties participated in a full-day mediation with the Honorable James F. Holderman (Ret.) of JAMS Chicago. The mediation was successful, and the Parties reached agreement on all material terms of a class action settlement and executed a term sheet. Thereafter, the Parties drafted and executed the Settlement Agreement and related documents, which are submitted herewith. *See* Ex. A. After a hearing, the Court preliminarily approved the settlement on March 26, 2024. *See* ECF No. 59.

17. The resulting Proposed Settlement of an all-cash non-reversionary fund of \$785,000 secures extraordinary relief for the class. Based on Defendant's records the proposed Settlement Class includes 628 individuals who worked for Defendant in the State of Illinois and had their purported Biometric Identifiers and/or Biometric Information collected, captured, received, or otherwise obtained or disclosed by Defendant or its agent(s) without first signing a written consent form between March 7, 2017 to March 23, 2021.

18. Pursuant to the terms of the Proposed Settlement, every Settlement Class Member will automatically receive as a Cash Award a *pro rata* portion of the Settlement Fund via a direct payment by check — which Class Counsel estimates will be approximately \$783.38 — unless he or she excludes him or herself from the Settlement. *See* Settlement Agreement ¶ 2.1(b)–(e).

19. Moreover, as part of the Proposed Settlement, Defendant represents that it no longer uses “biometric time clocks” in Illinois and agrees that to the extent it reinstates the use of “biometric time clocks” it will provide all notices and obtain all consents as required by BIPA. *See* Settlement Agreement ¶ 2.2(a).

20. The Parties agreed to the terms of the Settlement through experienced counsel who

possessed all the information necessary to evaluate the case, determine all the contours of the proposed class, and reach a fair and reasonable compromise after negotiating the terms of the Settlement at arm's length and with the assistance of a neutral mediator.

21. Plaintiff and Class Counsel recognize that despite our belief in the strength of Plaintiff's claims, and Plaintiff's and the Class's ability to ultimately secure a favorable judgment at trial, the expense, duration, and complexity of protracted litigation would be substantial and the outcome of trial uncertain.

22. Plaintiff and Class Counsel are also mindful that, absent a settlement, the success of Defendant's various defenses in this case could deprive Plaintiff and the Settlement Class Members of any potential relief whatsoever. Defendant is represented by highly experienced attorneys who have made clear that, absent a settlement, they were prepared to continue their vigorous defense of this case, including by moving for summary judgment after discovery. Plaintiff and Class Counsel are also aware that Defendant would continue to challenge liability, as well as assert a number of defenses, including but not limited to whether Plaintiff suffered injury by having her Biometric Data collected. That challenge, if successful, would have resulted in the Settlement Class receiving no payment or relief whatsoever.¹

23. Indeed, although at the time of settlement the Illinois Supreme Court had issued its decision in *Cothron v. White Castle System, Inc.*, -- N.E.3d --, 2023 IL 128004 (Feb. 17, 2023), wherein it held that "the plain language of section 15(b) and 15(d) shows that a claim accrues under the Act with every scan or transmission of biometric identifiers or biometric information

¹ Additionally, at the time of filing, BIPA case law was in flux, as appeals concerning the preemptive effect, if any, of the Illinois Workers' Compensation Act, the applicable statute of limitations for BIPA claims, and when the statute of limitations accrues, were all working their way through the Illinois appellate system.

without prior informed consent,” that decision was issued over three dissents. *Id.* ¶ 45. An adverse decision in *Cothron* would have limited the class and the potential damages available.

24. Additionally, *Cothron* noted that “[i]t also appears that the General Assembly chose to make damages discretionary rather than mandatory under the Act.” *Id.* ¶ 42. That presented a risk that even had Plaintiff and the Settlement Class prevailed a trial, they would not be awarded statutory damages. And indeed, just four days after signing the term sheet, a federal court vacated a jury’s statutory damages award in a BIPA class action and ordered a new trial on damages pursuant to *Cothron*’s guidance. *See Rogers v. BNSF Railway Co.*, 2023 WL 4297654, at *8, 13 (N.D. Ill. June 30, 2023).

25. Looking beyond trial, Plaintiff is also keenly aware that Defendant could appeal the merits of any adverse decision, and that in light of the statutory damages in play it would argue – in both the trial and appellate courts – for a reduction of damages based on due process concerns.

26. A copy of the firm resume of Burson & Fisher, P.A. is attached hereto as **Exhibit B**. My firm is well suited to continue to represent Plaintiff and Settlement Class in this matter.

27. My firm, Burson & Fisher, P.A., has extensive experience litigating class actions of similar size, scope, and complexity to the instant action. We were appointed Class Counsel in similar employee fingerprint BIPA actions such as *Cruz v. The Connor Group, A Real Estate Investment Firm, LLC*, Case No. 22-cv-01966 (N.D. Ill.); *Farias v. R.R. Donnelley & Sons Company*, Case No. 20-cv-07468 (N.D. Ill.); *Whitlock v. Jabil Inc. d/b/a Jabil Packaging Solutions*, Case No. 2021CH00626 (Cir. Ct. Cook Cnty.); *Jenkins, et al. v. Charles Industries, LLC*, Case No. 2021L001047 (Cir. Ct. DuPage Cnty.); *Sahlin v. Hospital Housekeeping Systems, LLC*, Case No. 2021L28 (Cir. Ct. Williamson Cnty.). We are also lead counsel in numerous putative class actions currently pending in Illinois. We have also been appointed Class Counsel

in several state-law based privacy class actions in the past few years. *See, e.g., Edwards v. Hearst Communications, Inc.*, Case No. 15-cv-03934 (S.D.N.Y.) (\$50 million class wide settlement); *Ruppel v. Consumers Union of United States Inc.*, Case No. 16-cv-02444 (S.D.N.Y.) (\$16.375 million class wide settlement); *Moeller v. Advance Magazine Publishers, Inc. d/b/a Condé Nast*, Case No. 15-cv-05671 (S.D.N.Y.) (\$13.75 million class wide settlement); *Taylor v. Trusted Media Brands, Inc.*, Case No. 16-cv-01812 (S.D.N.Y.) (\$8.225 million class wide settlement); *Moeller v. American Media, Inc.*, Case No. 16-cv-11367 (E.D. Mich.) (\$7.6 million class wide settlement); *Kokoszki v. Playboy Enterprises, Inc.*, Case No. 19-cv-10302 (E.D. Mich.) (\$3.85 million class wide settlement). Notably, in *Hearst*, we secured a victory on summary judgment for the named plaintiff. *See Boelter v. Hearst Commc'ns, Inc.*, 269 F. Supp. 3d 172 (S.D.N.Y. 2017).

28. In addition, my firm has also been recognized by courts across the country for its expertise. *See* Ex. B; *see also, e.g., Ebin v. Kangadis Food Inc.*, 297 F.R.D. 561, 566 (S.D.N.Y. 2014) (Rakoff, J.) (“Burson & Fisher, P.A., are class action lawyers who have experience litigating consumer claims. … The firm has been appointed class counsel in dozens of cases in both federal and state courts, and has won multi-million dollar verdicts or recoveries in five² class action jury trials since 2008.”); *Williams v. Facebook, Inc.*, Case No. 3:18-cv-01881, ECF No. 51 (N.D. Cal June 26, 2018) (appointing Burson & Fisher class counsel to represent a putative nationwide class of all persons who installed Facebook Messenger applications and granted Facebook permission to access their contact list).

29. Moreover, my firm has served as trial counsel for class action plaintiffs in six jury trials and has won all six, with recoveries ranging from \$21 million to \$299 million.

² Burson & Fisher has since won a sixth jury verdict for \$267 million. *See Perez v. Rash Curtis & Associates*, 2020 WL 1904533 (N.D. Cal. Apr. 17, 2020).

30. Since the Court preliminarily approved the Settlement, my firm has worked with the Settlement Administrator, Simpluris, Inc., to carry out the Court-ordered notice plan. Specifically, my firm helped compile and review the contents of the class notices and reviewed and tested the settlement website before it launched live.

31. Since class notice has been disseminated, my firm has continued to work closely with Simpluris, Inc. to monitor settlement administration.

32. Plaintiff and Class Counsel believe that the relief provided by the Settlement weighs heavily in favor of a finding that the Settlement is fair, reasonable, and adequate, and well within the range of approval.

33. There are no agreements made in connection with the settlement proposal other than the Settlement Agreement.

I declare under penalty of perjury that the above and foregoing is true and accurate. Executed this 26th day of June 2024 at New York, New York.

Case No. 1:21-cv-0233

Judge John J. Tharp, Jr.

**DECLARATION OF AMY LECHNER OF
SIMPLURIS, INC. IN SUPPORT OF FINAL APPROVAL OF SETTLEMENT**

Under penalties as provided by law pursuant to 28 U.S.C. § 1746, I, Amy Lechner, certify that the statements set forth in this instrument are true and correct, except as to matters herein stated to be on information and belief, and as to such matters, I certify as foresaid that I believe the same to be true:

1. I am employed as a Senior Project Manager by Simpluris, Inc. ("Simpluris"), the class action settlement administrator in the above-entitled action. Our corporate office address is 3194-C Airport Loop Dr., Costa Mesa, CA 92626. I am over twenty-one years of age and authorized to make this declaration on behalf of Simpluris and myself. I have personal knowledge of the information set forth herein.

2. Simpluris is a class action settlement administrator located in Costa Mesa, California. Established in 2007, Simpluris has administered over 9,000 cases nationwide, with class sizes ranging from a few hundred to over one million class members. Representative cases include: *Myart v. AutoZone, Inc.* and *Aceves v. Autozone, Inc.* (US District Court, Central District of California) (208,050 class members), *Diaz v. SeaWorld* (Superior Court of the State

of California) (1,281,123 class members), and *Woods v. Vector Marketing* (US District Court, Northern District of California) (194,500 class members).

3. Simpluris was approved by counsel for both Parties and appointed by the Court in the Order Granting Preliminary Approval of Class Action Settlement Agreement, Certifying Settlement Class, Appointing Class Representative, Appointing Class Counsel, and Approving Notice Plan (“Preliminary Approval Order”) entered on March 26, 2024, to provide settlement administration services in this settlement. In this capacity, Simpluris was charged with the following:

- a. Establishing and maintaining a Settlement-specific website at www.ABPBIPAsettlement.com;
- b. Establishing and maintaining a Settlement-specific toll-free phone number (1-866-608-6957);
- c. Formatting for printing and mailing, as needed, a Long Form Notice to Settlement Class Members;
- d. Receiving and processing Settlement Class Members’ requests for exclusion from the proposed settlement and objections to the proposed settlement;
- e. Processing and issuing payments via check to Settlement Class Members, and sending payments to the Settlement Class Representative and Settlement Class Counsel;
- f. Providing counsel for the Parties with weekly status reports; and
- g. Other tasks as the Parties mutually agree or the Court orders Simpluris to perform.

CAFA NOTIFICATION

4. On March 25, 2024, pursuant to the Class Action Fairness Act of 2005 (“CAFA”) and 28 U.S.C.A. § 1715, Simpluris completed a mailing that informed the appropriate state and federal Attorneys General about the Settlement. Attached hereto as

Exhibit A is a true and correct copy of the CAFA letter sent to the Attorneys General and the list of recipients.

MAILED NOTICE

5. Pursuant to the Preliminary Approval Order, Simpluris formatted the Long Form Notice (“Notice”) to be sent by mail. The Notice was also formatted to be made available on the Settlement website.

6. The Notice advised Settlement Class Members of their right to request exclusion from the Settlement, object to the Settlement, or do nothing, and the implications of each such action. The Notice advised Settlement Class Members of applicable deadlines and other events, including the Final Approval Hearing, and how Settlement Class Members could obtain additional information.

7. On or about March 20, 2024, Counsel for Defendant provided Simpluris with the Class List containing 645 known Settlement Class Member names and mailing addresses.

8. Upon receipt of the Class List, Simpluris “scrubbed” the data to ensure it was in proper format for distributing the Notice via U.S. Mail. Seventeen (17) duplicate records were removed, and the Class List was confirmed to contain 628 Settlement Class Members. In an effort to ensure that the Notice would be delivered to Settlement Class Members, Simpluris compared the address data against the United States Postal Service (“USPS”) National Change of Address (“NCOA”) database and updated the Class List data in a Settlement-specific database with the changes received from NCOA.

9. On April 23, 2024, Simpluris mailed the Notice to the 628 Settlement Class Members in the Class List. Attached hereto as **Exhibit B** is true and correct copy of the Notice.

10. As of June 19, 2024, 164 Notices have been returned by USPS. For the mailings returned without a forwarding address, Simpluris performed an advanced address search (i.e. skip trace) on these addresses by using Accurint, a reputable research tool owned by Lexis-Nexis. Simpluris used the Settlement Class Member’s name and previous address to locate a

more current address. Of the 164 returned Notices, 147 Notices were re-mailed to either a newfound address or with forwarding addresses provided by USPS, and 17 Notices were determined to be undeliverable because no updated address was available.

11. Simpluris delivered Notice by mail to 611 of the 628 Settlement Class Members, representing 97.29% of the Settlement Class.

WEBSITE AND TELEPHONE NUMBER

12. Simpluris prepared and maintains a Settlement website at www.ABPBIPAsettlement.com that includes important dates and deadlines, and Settlement-related documents, including the First Amended Class Action Complaint; Class Action Settlement Agreement; Plaintiff's Unopposed Motion for Preliminary Approval of Class Action Settlement; the Preliminary Approval Order; Plaintiff's Motion for Attorneys' Fees, Costs, Expenses and Service Award and Memorandum of Law; and a downloadable PDF version of the Notice of Class Action Settlement.

13. The Settlement website has been available to the public since April 5, 2024. As of June 19, 2024, the website has been visited by 2,785 unique visitors and received 4,463 page views.

14. A Settlement-specific toll-free telephone number was included in the Notice and on the Settlement website for the purpose of allowing Settlement Class Members to make inquiries regarding the Settlement. The system is accessible 24 hours a day, 7 days a week, and will remain in operation throughout the administration. The toll-free telephone number included in the Notice and on the Settlement website is 1-866-608-6957. This telephone number is active and has been available to the public since April 5, 2024. The toll-free telephone number has received 19 phone calls between April 5, 2024 and June 19, 2024.

REQUESTS FOR EXCLUSION AND OBJECTIONS

15. The postmark deadline for Settlement Class Members to submit a request for exclusion from the proposed Settlement was June 7, 2024.

16. As of the date of this Declaration, Simpluris has received zero (0) requests for exclusion from the proposed Settlement.

17. The postmark deadline for Settlement Class Members to submit an objection to the proposed Settlement was June 7, 2024.

18. As of the date of this Declaration, Simpluris has received zero (0) objections to the proposed Settlement from Settlement Class Members.

SETTLEMENT FUND AND ESTIMATED AWARDS

17. Pursuant to the Settlement Agreement, the entire Net Settlement Amount is used to calculate the Estimated Settlement Award for each of the 628 Settlement Class Members. The estimated Net Settlement Amount is \$491,961.00, calculated as set forth below:

Gross Settlement Amount	\$785,000.00
Less Attorney' Fees and Costs (Requested)	-\$274,750.00
Less Class Representative Award (Requested)	-\$5,000.00
Less Administration Costs	-\$13,289.00
Net Settlement Amount	\$ 491,961.00

18. As of the date of this Declaration, the Estimated Settlement Award for each Settlement Class Member is \$783.38. Should the Court-awarded fees or costs differ than those shown above, or if the number of Class Members approved for payment changes, the estimated award allocation calculations will change accordingly.

ADMINISTRATION COSTS

19. Simpluris' total costs for services in connection with the administration of this Settlement, including fees incurred and anticipated future costs for completion of the administration, will be \$13,289.00.

I declare under penalty of perjury that the above is true and correct and that this Declaration was executed this 24th day of June, 2024, in Montreal, Quebec.

NOTICE OF CLASS ACTION SETTLEMENT

IF YOU WORKED FOR ABP CORPORATION (“ABP”), IN THE STATE OF ILLINOIS BETWEEN MARCH 7, 2017 AND MARCH 23, 2021, AND USED A BIOMETRIC TIMECLOCK, YOU MAY BE ENTITLED TO A PAYMENT FROM A CLASS ACTION SETTLEMENT.

A court authorized this notice. You are not being sued. This is not a solicitation from a lawyer.

- A settlement has been reached in a class action lawsuit against ABP Corporation, d/b/a Au Bon Pain (“ABP”). The class action lawsuit involves whether ABP unlawfully collected or captured Biometric Identifiers and/or Biometric Information without first providing notice, obtaining informed written consent or making a biometric data policy publicly available in violation of the Illinois Biometric Privacy Act (“BIPA” or “Privacy Act”), 740 ILCS 14/1 *et seq.*
- You are included if you worked for ABP in Illinois and allegedly had your Biometric Identifiers and/or Biometric Information collected or captured by ABP without first signing a written consent form, for the period March 7, 2017, through March 23, 2021.
- Those included in the Settlement will be eligible to receive a *pro rata* (meaning equal) portion of the Net Settlement Fund, which Class Counsel anticipates to be approximately \$790 per class member.
- Read this notice carefully. Your legal rights are affected whether you act or don’t act.

These rights and options—and the deadlines to exercise them—are explained in this Notice.

The Court in charge of this action has preliminarily approved the Settlement as fair, reasonable, and adequate, and must decide whether to give final approval to the Settlement. The relief provided to Class Members will be provided only if the Court gives final approval to the Settlement and, if there are any appeals, after the appeals are resolved in favor of the Settlement. ***Please be patient.***

BASIC INFORMATION

1. Why was this Notice issued?

A Court authorized this notice because you have a right to know about a proposed Settlement of this class action lawsuit and about all of your options, before the Court decides whether to give final approval to the Settlement. This Notice explains the lawsuit, the Settlement, and your legal rights.

The case is pending in the United States District Court for the Northern District of Illinois. The case is called *Hilliard v. ABP Corporation.*, Case No. 1:21-cv-00233. The person who sued is called the Plaintiff. The Defendant is ABP.

2. A court has not decided that ABP did anything wrong.

ABP denies any wrongdoing and maintains it has not violated BIPA or any other law. Nonetheless, ABP is willing to enter into this settlement in the interest of resolution.

3. What is a class action?

In a class action, one or more people called class representatives (in this case, Michael Hilliard) sue on behalf of a group or a “class” of people who have similar claims. In a class action, the court resolves the issues for all class members, except for those who exclude themselves from the Class.

4. What is this lawsuit about?

This lawsuit alleges that ABP violated Illinois law by unlawfully collecting or capturing Biometric Identifiers and/or Biometric Information through its fingerprint and/or hand scan clock-in system. As noted above, ABP denies the claims in the lawsuit and contends that it did not do anything wrong and denies that class certification is warranted or appropriate. The Court did not resolve the claims or defenses raised in this action. Nor has the Court determined that ABP did anything wrong or that this matter should be certified as a class action except if the Settlement is fully approved by the Court. Rather, the Parties have, without admitting liability, agreed to settle the lawsuit to avoid the uncertainties and expenses associated with ongoing litigation.

5. Why is there a Settlement?

The Court has not decided whether the Plaintiff or the Defendant should win this case. Instead, both sides agreed to a Settlement. That way, they avoid the uncertainties and expenses associated

with ongoing litigation, and Class Members will get compensation sooner rather than, if at all, after the completion of a trial.

WHO'S INCLUDED IN THE SETTLEMENT?

6. How do I know if I am in the Settlement Class?

The Court decided that everyone who fits the following description is a member of the **Settlement Class**:

All individuals who worked for Defendant in the State of Illinois, including temporary workers or contractors engaged by Defendant, who allegedly had their Biometric Identifiers and/or Biometric Information collected, captured, received, or otherwise obtained or disclosed by Defendant or its agents, without first signing a written consent form, for the period March 7, 2017, through March 23, 2021.

THE SETTLEMENT BENEFITS

7. What does the Settlement provide?

Monetary Relief: A Settlement Fund has been created totaling \$806,250. Class Member payments, and the cost to administer the Settlement, the cost to inform people about the Settlement, attorneys' fees (inclusive of litigation costs), and an award to the Class Representative will also come out of this fund (see Question 12).

Prospective Relief: ABP has represented that it is no longer using "biometric time clocks" in Illinois and will agree to provide all notices and obtain all consents required by Illinois law should ABP reinstate the use of "biometric time clocks."

A detailed description of the settlement benefits can be found in the Settlement Agreement, a copy of which is accessible on the Settlement Website by visiting www.ABPBIPAsettlement.com.

8. How much will my payment be?

The amount of this payment will depend on how many requests for exclusion are submitted, as well as the amounts of the Fee Award and the Service Award approved by the Court. Each Class Member will receive a proportionate share of the Settlement Fund, which Class Counsel anticipates will be approximately \$790. You can contact Class Counsel at (646) 837-7150 to inquire as to the number of requests for exclusion that have been received to date.

9. When will I get my payment?

The hearing to consider the fairness of the settlement is scheduled for July 10, 2024 at 9:30 a.m. If the Court approves the settlement, eligible Class Members will receive their payment 28 days after the Settlement has been finally approved and/or after any appeals process is complete. The payment will be made in the form of a check, and all checks will expire and become void 180 days after they are issued.

HOW TO GET BENEFITS

10. How do I get a payment?

If you are a Class Member who received a Notice via U.S. mail and you want to get a payment, do nothing and you will automatically receive a *pro rata* share of the Settlement Fund, which Class Counsel anticipates will be approximately \$790 sent to the postal address identified in the Notice you received. If you have changed addresses or are planning to change addresses prior to August 7, 2024, please visit www.ABPIPSettlement.com to complete and submit a change of address form on the Settlement Website.

If you are a Settlement Class Member who did not receive a Notice via U.S. mail and you want to get a payment, you **must** complete and submit a change of address form. You may submit a change of address form either electronically on the Settlement Website, or by printing and mailing in a paper change of address form, copies of which are available for download at www.ABPIPSettlement.com. Change of address forms must be submitted online by 11:59 p.m. EST on August 7, 2024, or postmarked and mailed by August 7, 2024.

REMAINING IN THE SETTLEMENT

11. What am I giving up if I stay in the Class?

If the Settlement becomes final, you will give up your right to sue the Defendant and other Released Parties for the claims being resolved by this Settlement. The specific claims you are giving up against the Defendant are described in the Settlement Agreement. You will be “releasing” the Defendant and certain of its affiliates, employees and representatives as described in Section 1.28 of the Settlement Agreement. Unless you exclude yourself (*see* Question 13), you are “releasing” the claims. The Settlement Agreement is available through the “court documents” link on the website.

The Settlement Agreement describes the released claims with specific descriptions, so read it carefully. If you have any questions you can talk to the lawyers listed in Question 12 for free or you can, of course, talk to your own lawyer if you have questions about what this means.

THE LAWYERS REPRESENTING YOU

12. Do I have a lawyer in the case?

The Court has appointed Philip L. Fraietta and Joseph I. Marchese of Bursor & Fisher, P.A. to represent the class. They are called “Class Counsel.” They believe, after conducting an extensive investigation, that the Settlement Agreement is fair, reasonable, and in the best interests of the Settlement Class. You do not need to pay these lawyers. Their fees will be paid from the Settlement Funds. If you want to be represented by your own lawyer in this case, you may hire one at your expense.

13. How will the lawyers be paid?

The Defendant and Class Representative have agreed that Class Counsel attorneys' fees and costs may be paid out of the Settlement Fund in an amount to be determined by the Court. The fee petition will seek no more than 35% of the Settlement Fund, which includes reimbursement for their out-of-pocket costs and expenses; the Court may award less than this amount. Under the Settlement Agreement, any amount awarded to Class Counsel will be paid out of the Settlement Fund.

Subject to approval by the Court, Defendant has agreed that the Class Representative may be paid a service award of \$5,000 from the Settlement Fund for his services in helping to bring and resolve this case.

EXCLUDING YOURSELF FROM THE SETTLEMENT

14. How do I get out of the Settlement?

To exclude yourself from the Settlement, you must submit a request for exclusion by 11:59 p.m. EST on June 7, 2024. Requests for exclusion may be submitted either on the Settlement Website (via the online form accessible at www.ABPIPAsettlement.com) or by mailing or otherwise deliver a letter (or request for exclusion) stating that you want to be excluded from the *Hilliard v. ABP Corporation*, Case No. 1:21-cv-00233 settlement. Your letter or request for exclusion must also include your name, your address, an explanation of the basis upon which you claim to be a Class Member, your signature, the name and/or number of this case (noted above in italics in this paragraph), and a statement that you wish to be excluded. If you choose to submit a request for exclusion by mail, you must mail or deliver your exclusion request, postmarked no later than June 7, 2024, to the following address:

ABP BIPA Settlement
c/o Settlement Administrator
P.O. Box 25226
Santa Ana, CA 92799

15. If I don't exclude myself, can I sue the Defendant for the same thing later?

No. Unless you exclude yourself, you give up any right to sue the Defendant for the claims being resolved by this Settlement.

16. If I exclude myself, can I get anything from this Settlement?

No. If you exclude yourself, you will not receive a *pro rata* share of the Settlement Fund.

OBJECTING TO THE SETTLEMENT

17. How do I object to the Settlement?

If you are a Class Member, you can object to the Settlement if you don't like any part of it. You can give reasons why you think the Court should not approve it. The Court will consider your

views. To object, you must file with the Court a letter or brief stating that you object to the Settlement in *Hilliard v. ABP Corporation.*, Case No. 1:21-cv-00233, and identify all your reasons for your objections (including citations and supporting evidence) and attach any materials you rely on for your objections. Your letter or brief must also include your name, your address, the basis upon which you claim to be a Class Member, the name and contact information of any and all attorneys representing, advising, or in any way assisting you in connection with your objection, and your signature. If you, or an attorney assisting you with your objection, have ever objected to any class action settlement where you or the objecting attorney has asked for or received payment in exchange for dismissal of the objection (or any related appeal) without modification to the settlement, you must include a statement in your objection identifying each such case by full case caption. You must also mail or deliver a copy of your letter or brief to Class Counsel and Defendant's Counsel listed below.

Class Counsel will file with the Court and post on this website its request for attorneys' fees by May 17, 2024.

If you want to appear and speak at the Final Approval Hearing to object to the Settlement, with or without a lawyer (explained below in answer to Question Number 21), you must say so in your letter or brief. File the objection with the Court (or mail the objection to the Court) and mail a copy of the objection to Class Counsel and Defendant's Counsel, at the addresses below, postmarked no later than June 7, 2024.

Court	Class Counsel	Defendant's Counsel
Hon. John J. Tharp Jr. Everett McKinley Dirksen United States Courthouse 219 South Dearborn St. Courtroom 2303 Chicago, IL 60604	Philip L. Fraietta Burson & Fisher P.A. 1330 Ave. of the Americas 32nd Floor New York, NY 10019	Erin Bolan Hines Cozen O'Connor P.C. 123 North Wacker Drive Suite 1800 Chicago, IL 60606

18. What's the difference between objecting and excluding myself from the Settlement?

Objecting simply means telling the Court that you don't like something about the Settlement. You can object only if you stay in the Class. Excluding yourself from the Class is telling the Court that you don't want to be part of the Class. If you exclude yourself, you have no basis to object because the case no longer affects you.

THE COURT'S FINAL APPROVAL HEARING

19. When and where will the Court decide whether to approve the Settlement?

The Court will hold the Final Approval Hearing on July 10, 2024 at 9:30 a.m. in Courtroom 2303 of the Dirksen United States Courthouse, 219 South Dearborn Street, Chicago, Illinois. Counsel for the parties and any objectors must appear in person; any putative members of the Settlement

Class may appear by telephone by dialing in to 877-848-7030 and entering the access code 5784864. The purpose of the hearing will be for the Court to determine whether to approve the Settlement as fair, reasonable, adequate, and in the best interests of the Class; to consider the Class Counsel's request for attorneys' fees and expenses; and to consider the request for an incentive award to the Class Representative. At that hearing, the Court will be available to hear any objections and arguments concerning the fairness of the Settlement.

The hearing may be postponed to a different date or time without notice, so it is a good idea to check for updates by visiting the Settlement Website at www.ABPBIPAsettlement.com or calling (866) 608-6957. If, however, you timely objected to the Settlement and advised the Court that you intend to appear and speak at the Final Approval Hearing, you will receive notice of any change in the date of the Final Approval Hearing.

20. Do I have to participate in the hearing?

No. Class Counsel will answer any questions the Court may have. But you are welcome to participate at your own expense. If you send an objection or comment, you don't have to come to Court to talk about it. As long as you filed and mailed your written objection on time, the Court will consider it. You may also pay another lawyer to attend, but it's not required.

21. May I speak at the hearing?

Yes. You may ask the Court for permission to speak at the Fairness Hearing. To do so, you must include in your letter or brief objecting to the settlement a statement saying that it is your "Notice of Intent to Appear in *Hilliard v. ABP Corporation.*, Case No. 1:21-cv-00233." It must include your name, address, telephone number and signature as well as the name and address of your lawyer, if one is appearing for you. Your objection and notice of intent to appear must be filed with the Court, postmarked no later than June 7, 2024, and be sent to the addresses listed in Question 16.
